If you possible time to hold the exhibition, with a fair chance of success.

The weather, too, could scarcely have been worse. On Mouday, (Citizens' manner in which the exhibition had been worse a very large crowd was it rained all day, and this no

doubt reduced the revery considerably. In fact, there were only two rearly fine days, Wednesday, which was the record day, in point of numbers, and director, when the attendance is always very light. How much greater the total attendance would have been had the weather been fine every day, is, of course, problematical, but certainty the total would have been greatly alded by the executive. He referred to the short time in which Again, the fact that Halifax is hav-

Again, the fact that Halifax is having a Dominion exhibition unquestionably militated against the success of the one held here. In addition to the special features which the federal government's grant of \$50,000 makes it possible, for them to, have, there will be nine days; horse racing, which can be seen without leaving the grounds. The number coming from Neva Scotia was on this account smaller than would otherwise have beed the case.

That such a motable success was achieved in spite of the adverse, circumstances, that confronted them, is highly complimentary to the management, Without doubt the major portion of the short time in which preparations were made for the fair.

The meeting, adjourned after Mr. Milligan had spoken with the singing of the National Anthem. Those present at the supper were:

Times—A. M. Beiding, Alfred McGinley, William E. Hopper and Harold Taylor, Globe H. E. Codner, H. Palseley, P. McCafferty, R. E. Walker, George Scott, Stanley Taylor, Joseph Murphy, Bruce Malcolm and Harry Bennett; Sun—L. S. Gowe, Harry Lunney and J. J. English; Star—Wm. Campbell; New Freeman—M. McDade. The visiting of the which preparations were made for the fair.

### WOMAN KILLED BY RATS.

Michael McDade. These gentlemen all referred to the splendid work done by age, was killed by rats in her home in Elizabeth, N. J., today. Mrs. Vanhart lived alone. Her daughter-in-law called early today and found her dead. Rats had attacked the helpless old woman as she sat in a chair, possibly asleep, and severed an artery in one of her feet that caused her to bleed to death. The flesh of both feet was much torn by the rodents.

In St. John's (Stone) Church Sunday

Although they won't admit it many people who suffer from sick headaches and other alls get them straight from the coffee they drink and it is easily proved if they're not afraid to leave it to a test as in the case of a lady in onnellsville.
"I had been a sufferer from sick

headaches for twenty-five years and anyone who has ever had a bad sick leadache knows what I suffered. Sometimes three days in the week I would have to remain to bed, at other times I couldn't lie down the pain would be so great. My life was a torture and if I went away from home for a day I always came back more dead than alive dead than alive.
"One day I was telling a woman my

troubles and she told me she knew that it was probably coffee caused it. She said she had been cured by stopping coffee and using Postum Food Coffee and urged me to try this food drink. and urged me to try this food drink.

"That's how I came to send out and get some Postum and from that time I've never been without it for it suits my taste and I have been entirely cired of all my old troubles. All I did was to leave off the coffee and tea and drink well made Postum in its place.

This change has done me more good. This change has done me more good than everything else put together. "Our house was like a drug store for my husband bought everything he heard of to help me without doing any good but when I began on the Postum my headaches ceased and the other transfer outsity disappeared. I have

MONCTON, N. B., Sept. 3.-Rev. H. E. Thomas, pastor of Wesley Memorial in the course of a vigorous sermon tonight on Responsibility for Enforcement of the Scott Act, poured hot shot into the city council for non-enforcement of the law.

He charged the charman of the police committee with helps ice committee with being a protect

of criminals.

He alleged when Police Magistrate
Kay committed violators of the Scott Act to fail without the option of a fine the parties sentenced rushed to the chairman of the police committee, and since that time practically no convic-tions had been obtained against the liquor men, notwithstanding a resolu-tion was passed by the council in-structing the committee to enforce the

### GERMANY'S GREAT WARSHIP

BERLIN, Sept. 8-According to the cologne Gazette, the new German 18,-00 ton battleship, which will be a rival of the Dreadnought, will carry sixteen big guns, compared with the Dreadbig guns, compared with the Dread-nought's ten. They, however, will be of rather smaller calibre, although their enormous length, 46 feet, will en-able them to carry an unusually heavy charge, while the projectiles will be charge, while the projectiles will be 280 pounds heavier than any of the present German projectiles.

### PRESIDENT'S TRIP TO PANAMA

WASHINGTON, Sept. 8—It has been decided that three ships shall accompany the President on his trip to Panama next November. Two of these and next November. Two of these will be battleships and one a vessel of smaller design. The department has not however, determined just which ships shall have this honor, and a decision on the question will not be reached before the middle of October. In explaining the reason for sending NEW YORK, Sept. 8-Mrs. Elizabeth reached before the middle of Octobe Vanhart, a paralytic, sixty years of age, was killed by rats in her home in three ships to Panama with the Pre but only one President, and that three vessels would accompany Mr. Roosevelt in order to have one which

A NEW RECORD.

morning, Rev. 64 A Kahang rector made reference to the death of George C. Coster, one of St. John's leading barristers, who died last week. His text was: Psalm 15-1, "Lord, who shall dwell in thy tabernacie: or who shall rest upon thy holy him?"

Sunday afternoon the more strong of pacers at the state fair grounds this evening by breaking the world's record, held by himself. The mile was paced in 1.55 flat, clipping a quarter of a second off the record made at Lexington, Ky. last season. The big brown horse finished strong, many un-Sunday afternoon the pastors and superintendents of the following Pressiverian Sunday schools, St. Andrew's, St. John's, St. Stephen, Calvin and St. David's, met and decided to hold a united meeting of these schools in St. David's church on the last Sunday of this mouth (the 30th) and carry out the order of service for "children's day" as provided by the general assembly Sabbath school committee. Last year these same five schools united and had a very successful gathering. Wednesday evening of this week the singers in the intermediate departments of the first quarter being paced in 29%, and the last in 28%. As the time was shool room at 7 o'clock to form a chorus and practice the hymns.

William Malyard, the thirteen was done in 28%.

d into by the Press, to whose efforts of the distribution in the direction the president, manager and members of the executive repair to in terms of high appreciation in the course of their speeches Saturday was 5292, and fide school garden, and certified as such by the teacher of the school. It is, in excess of the closing day two years ago, while the management throught there would be more present, they regarded this as very sate factory.

On all sides it has been admitted that the exhibits in the main building surpassed those of two years ago, while, shap peen previously sated in these same and the throught there would be more present, they regarded this as very sate of the school shading surpassed those of two years ago, while, as hap peen previously sated in these same and the thirteen month old son of william Pearce, superintend of the Boyer Industrial School, died on Saturday safed in these same and the thirteen month old son of william Pearce, superintend of the Boyer Industrial School, died on Saturday safed in the same to be divided as the judges of purchase Books of two years ago, while, shap peen previously sated in these same avery successful gathering. Wedness day evening of this week the singers in the intermediate departments of these schools read of the sex schools will meet in St. David's ton among the \$5,000 persons who with the intermediate departments of these schools of the sex schools of the intermediate departments of these same avery successful gathering. Wedness day evening of this week the singers in the intermediate departments of the sex schools of these schools of the intermediate departments of the sex school read of the sex school read of the sex schools of the sex school read of the sex school, and the intermediate departments of the sex school read of the sex school read of the sex school school and the intermediate departments of the sex school and the intermediate departments of the sex school and the intermediate departments of the sex school and the intermediate departments Henry, Chatham, Banito, 2.18%, John Larder, Sydney; Ada Mac, 2.18%, W. D. Bonness, Summerside, The programme will be 2,20 and 2.15 classes on Tues-day, and free-for-all and 2.25 on Wednesday. Special trains leave St. John on both days at 10.30 a. m. Management look for maritime record to be broken in free-for-all and in other classes. Great contests are expected.

The lumber property of the late Jas.
V. Brown, of Fairfield, Me., has been purchased by A. F. Bentley, of St. Martins. The property was sold by tender and Mr. Bentley's being the highest was accepted.

Steamer Elaine broke an eccentric on her trip up river Saturday evening, when opopsite Gorham's Bluff. On account of the accident the boat did not reach Gagetown until five o'clock Sunday morning. There were quite a num-ber of passengers for Gagetown, and the delay caused their friends some anxiety.

LUMSDEN, Sept. 9.—A prairie fire which started from a spark from a threshing engine did considerable damage north of here. A man named Kittison and John Bros. lost their entire tison and John Bros. lost their entire transport two hundred agrees implements. crop of two hundred acres, implements, barns, etc. Chas. Wallace and Frank Page lost forty-five acres of wheat and John Lustig his entire crop of wheat. The man responsible gave himself up to the police.

my headaches ceased and the other troubles quickly disappeared. I have a friend who had an experience just like mine and quitting collee and using Postum cared her just as it did me.

"The headaches left and my general health has been improved and I am much stronger than before. I now enjoy delicious Postum more than I ever did coffee." Name given by the Postum Co. Battle Creek, Mich.

"There's a reason" and it's worth finding out.

To the police.

SAN FRANCISCO, Sept. 9.—R. D. Little and C. D. Hagerty, who, in company with three expert chauffeurs, left New York August 16 in an automobile, seeking to reduce the transcontinental tourist car record of thirty three days, arrived here tonight. The trip occupied twenty-four days, 8 hours and 45 minutes, including all stops, thus lowering the record by nearly nine days.

### HOUDINI FOILED BY SHARP EYED TURNKEY

NEW YORK, Sept. 8-Houding, the king of the handcuffs, as he is described by his press agent, tried to escape from a locked cell in the Yorkville Police Court prison today and encountered a sharp-eyed keeper, who disarranged his plans. The expert lockpicker went to the office of Commissioner of Corrections Lantry a week ago and told him that the locks of the district prisons were no good, and that an expert burgfar could easily escape.

"None have ever escaped in my time. 'None have ever escaped in my time and I hope none will," responded the

The Commissioner gave his permission to try the locks in the prison of the Yorkville Court. The expert went HALIFAX, N. S., Sept. 9.—Today to the prison one day last week and examined the locks on the cell doors, and announced that he would return the Roman Catholic church in this today and allow himself to be locked city as it would be to the control of the control

When he got there in the afternoo he found a number of headquarters men, precinct detectives, lawyers, court clerks and others waiting for him, "I have been locked in the prisons of Germany, France and England, and where the ceremony took place, was crowded to the doors. The ceremonies were opened at ten o'clock, with pontifical high mass, the celebrant and consecrating archbishop being his excellency, the Most Rev Donatus Share and England, and In some in this country, and in every case I managed to get out," said he. "I haven't met failure yet, and the prison officials were unable to explain how I did it." He'll have a different story of the country and in every case I managed to get out," said he. "I haven't met failure yet, and the prison officials were unable to explain how I did it." story to tell after his experience in the Yorkville prison.

Things were arranged for his at-

tempted escape from a cell. The cell one and disrobed, his purpose being go undressed into the cell from he was to escape to show he had no

KEEPER TOO SMART FOR HIM. Hugh Coney, a prison keeper, standing in the cell door to see nothing was smuggled in. The experi announced he was ready to enter the cell from which he was to escape, and was willing to be searched. Cooney stepped up and ran his fingers through University, Washington, and Father McGoldrick of Brooklyn, N. Y., there friends of Archbishop McCarthy came to Halifax for the consecration, and presented his grace with the Episcopal ring.

The laity presented his grace with an address and a check for \$2,000, and the clergy gave him a gold chalice. The celebrant at pontifical vespers was Archbishop McCarthy and the same. you can't go into the cell," said the

keeper.
The expert did some thinking, and Archbishop McCarthy made a fitting and eloquent reply to both presentations, at the close of which he delivered his blessing.

After consecrating ceremonies the visiting prelates and clergy lunched at the convent of the Sacred Heart, and this evening they dined at St. Mary's Parish Hall. finally walked over to the cell where

something concealed under his toes.
The expert made the acknowledgment and was then allowed to enter the cell. A sheet was drawn over the door. The expert's hands were confined in handcuffs attached to a, waist belt. The audience was ordered out into the next room while the "prisoner" was

the king to unpleasant attentions fell on deaf ears, and finally his majesty was obliged to curtail his morning was obliged to curtail his morning was head to curtail his morning was not curtain to the hotel.

# TO THE INDIANS

WINNIPEG, Sept. 8—"What's the matter with the Babine Indians?" was asked of Rev. Father Morice this evenasked of Rev. Father Morice this evening. Father Morice has been in close
communication with the Indians all his
life, and is here on his way to Quebec to attend the meeting of American scientists interested in anthropol-

ogical questions.

"The Indians are being greatly wronged," said Father Morice. "The entire question is one of the salmon fisheries. The first I heard of the trouble was a said. ble was when I received a letter signed by some of the chiefs, the letter being written in the characters which I had taught them. From time immemorial the Babine Indians have subsisted on salmon, taken in the streams of northern British Columbia. In order that sufficient of the salmon may be secured to give a supply for a year, it is necessary that the Indians should we the canadian Garrison Artillery, to be designated No. 5 Company, is authorized.

The establishment of the new ordnance stores corps is fixed at 30 officers, including three lieutenant colonies. There are to be 23 warrant officers and 55 non-commissioned officers, 50 artificers and 50 privates, a total of 188 all ranks.

The 5th Royal Scots of Montreal are increased from an eight to a sixteen company regiment, with two battalions. Those make the second two battalion.

The great injustice of the salmon may be secured to great diggers continued on the free list.

Mr. Ross says that as ten per cent, is added to the invoice value of goods before duty is computed a twenty per cent, rate works out at twenty-two per cent,

regiment in Canada.

Colonial auxiliary forces officers' decorations have been awarded to Major George Crocket and Captain D. L.

Hooper of the \$2nd Regiment.

Colonial auxiliary force long service decorations have been conferred on Major Charles Leigh, 40th Artillery.

Charlest Leigh, 40th Artillery.

The great injustice of the situation consists in this fact, that the Canadian this people. What right can the government have to interfere with the rights which the original inhabitants of the country have enjoyed from the beginning of time? If the Canadian people desire to interfere in the 3nd people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the rights which the original inhabitants of the country have enjoyed from the people desire to interfere with the country have enjoyed from the people desire to interfere with the country have enjoyed from the people desire to interfere with the country have enjoyed from the people desire to interfere with the country have enjoyed from the people desire to interfere with the country have enjoyed from t people desire to interfere in the do-mestic affairs of the Babines, let them approach them in the regular way,

approach them in the regular way, and make a treaty with them.

"It would be exceedingly costly to send an armed force to the Babine Indians, and, what is more important, the Indians are in the right. It is a matter of life and death to them, and if the government wishes them to do otherwise it must make some armore. otherwise it must make some arrangement with them.

# 2,000 AT CONSERVATIVE

TRURO, Sept. 2.—The Conservative picnic held here Saturday was attended by about 2,000 people. Speeches were delivered by R. L. Borden, C. E. Gregory, J. J. Ritchie, J. M. Bailey and C. E. Tanner, M. P. P.'s. The tug-of-war contest between the Tories and Liberals was won by the latter. The feature of the picnic was the bitter attack by J. J. Ritchie on Hon. W. S. Fielding.

# CROWDS ANNO

itles—A False Report.

MARIENBAD, Sept. 7-In answer to the story that the king made an ap-pointment to meet an American girl who wrote him that she was about to marry a dear friend of his, it is stated that no incident of the sort described ever occurred. The king, while here, has not broken through the rules of royal etiquette, even with Americans. On the other hand, during the days of his cure he was greatly annoyed by being mobbed by a curious, unmannerly

tioned when his majesty, tioned when his majesty, accompanied by Sir Stanley Clarke and Major Pon-sonby, walked from the Hotel Weimar at half-past seven to drink a glass of
