POINTS FOR BUSINESS MEN.

Don't expect an advertisement to bear fruit in one night. You can't est enough in a week to last you a year, and you ou't advertise o that pin, either. The enterprising advertiser proves that he understands how to buy, be-ame in advertise only once in three months forget that most folks amout remember anything longer than about the second second ly you on around control to an advertise ment. It is a point gained. Quitting advertising in duit times in like tearing out a dam because the are 1 dos. Eacher plan will prevent good times from eyee conting. Enterprising "mines men know the value of advertuing for year ond, he permissiony of those web are not infimidated by the ory of duit times, in feep their names ever before the public, will earsty processes on the patients to the end.
