

INSTRUCTIVE LECTURE BEFORE ST. PETER'S Y.M.A.

**Dr. Lunney Spoke Yesterday
on "Aims and Hopes of a
Nation" — Advice to Young
Men.**

There was a large attendance in St. Peter's hall yesterday afternoon when Dr. T. H. Lunney delivered a very interesting and instructive address on "The Aims and Hopes of a Nation."

The subject as discussed by the speaker proved very entertaining and deeply impressed the large audience who had the pleasure of hearing the doctor in an eloquent address.

The main topic of discussion in Dr. Lunney's lecture was the education of a young man's time during the period he leaves school until he takes his place in the world. The speaker treated this very subject from a physical, intellectual and moral standpoint, showing what great advantages could be gained and what attainments accomplished by the proper use of a young man's time during the golden years of life.

The speaker dwelt particularly on the physical education of the young body, advising his hearers to engage in swimming, running, rowing, skating and other such exercises, which tend to build up a strong and sound body. He also pointed out the proper time to participate in such exercises and warned young men from exercising violently, which would be injurious to health.

Dr. Lunney then discussed the intellectual side of the subject, advising his hearers to devote their spare hours to the reading of good books, and so exercise their minds as well as their bodies.

He then treated his subject from a moral standpoint, illustrating what good could be gained by devoting a little time in doing a kind act.

The lecture, which was very instructive, was handled in a capable manner by the speaker who at the conclusion, on motion of John Haggarty, seconded by John McDonald, was tendered a hearty vote of thanks by President Shea on behalf of the society.

NEWCASTLE DEFEATED CHATHAM

Chatham, Feb. 6.—Newcastle defeated Chatham in the all-day match yesterday for the possession of the Highland Society cup during the coming year, by a score of 127 to 119, a majority of 8 points.

Ten rinks from each club participated, playing five games in each rink. The Newcastle men won in their own rink, 68 to 57, and in the first lead in its own rink was 65 to 59, and that settled the fate of the cup.

At the end of the morning play with only two rinks left to be played, Newcastle had a lead of 12 points. At the end of the afternoon play when four more rinks on each side had gone through the fray, Newcastle had a lead of 11, and during the evening play, the shirt-tailers had their lead cut to 8, but they won out safely.

The completed list of rinks and scores are as follows:

PERSONAL.

Mrs. E. A. Smith returned on Saturday evening from Chatham where she spent a few days the guest of Mrs. J. B. Snowball. During her stay in Chatham, Mrs. Smith delivered her charming lecture "Through Canada with a Camera." The lecture was given for the benefit of the library fund of the town, and was attended by a large and appreciative audience.

DOUGLAS AVENUE PAVING QUESTION ROUSES INTEREST

Some difference of opinion has arisen over the proposition submitted by some residents of Douglas Avenue to lay permanent pavement on that street.

Meetings have been held at which some of the property holders have shown disapproval of the proposed plan.

The estimated cost of the work is \$62,000 and those who are in favor of laying the pavement are willing that property-holders contribute as their share a sum not exceeding \$1,000.

On last Saturday D. P. Pidgeon, G. Murdoch, Angus McDonald and George E. Dory solicited the property-holders to sign a petition favoring the plan of paving and were successful in receiving the signatures of a number of men who had formerly opposed it.

When the idea was first proposed some of the large property-holders had misunderstood the plan, in that they were of the opinion they would be obliged to pay half the cost, whereas the city was willing that they pay one-third.

Mr. Pidgeon alone has already received a number of signatures representing one-third of the total street frontage, and as signatures of a number of residents representing 50 per cent. of the street frontage will enable the property-holders to petition the council, it looks as though those who have proposed the plan will be successful in bringing it before the commissioners.

SUDDEN DEATH OF MRS. DANIEL TAYLOR

Shortly after three o'clock yesterday afternoon a colored woman, the widow of Daniel Taylor, took a weak spell on Charlotte street, and was assisted to the home of Frank Bushan, in Union Alley.

Dr. G. O. Baxter was summoned to the house and although he quickly responded to the call, the woman died just before he arrived.

Mrs. Taylor had been suffering from heart trouble for some time, and her death was due to that cause.

Coroner D. E. Berryman viewed the remains which were afterwards conveyed to the morgue on King street east.

David Jenkins, in the presence of a very large number of invited guests.

The bride, who was given away by her father, looked charming in a gown of ivory satin with the conventional veil and orange blossoms. She was attended by Miss Whitney, who wore a handsome dress of slate grey satin. Miss Adelaide Stevens made a very pretty flower girl. The groomsmen were the bride's brother, Clinton Hill.

The parlor was profusely decorated for the occasion, the bridal party standing under an evergreen arch trimmed with beautiful flowers.

A sumptuous supper was served in the dining room where the floral decorations were also very pretty.

Valuable Horse Saved by "Nerviline"

Was Too Sore and Lame to Work
Quickly Cured by Nerviline.

"I have had a long experience in treating horses, and I can safely say that I know of no liniment for strains, sprains, and swelling that is so useful around the stable as Nerviline. This winter Mr. J. E. Murchison, from his home, Crofts Hill, P. O. 'I had a fine young mare that wrenched her right foreleg, and from the shoulder down she was stiff, sore, and swollen. I applied Nerviline, and it worked like a charm; in fact, that mare was in shape to work a day after I used Nerviline."

OBITUARY.

Mrs. John P. C. Burpee.
The death of Mrs. John P. C. Burpee occurred Saturday morning at 8 o'clock at her residence, 105 Mount Pleasant Avenue after an illness of six weeks duration. During her illness she had shown wonderful vitality and although the end seemed near on several occasions, she had rallied repeatedly until Thursday evening when the final release began.

By her removal the city suffers the loss of one who had made her influence felt for many years. A lady of fine and distinguished character, of ready sympathy and gracious manner, she had occupied a prominent place in the social life of the city and had taken an active part in many movements for the welfare of the community and in public and private philanthropy.

Before her marriage Mrs. Burpee was Miss Agnes Ferguson, daughter of the late Francis Ferguson, one of the leading business men of former years. She was born in Bathurst, N. B., and came to St. John with her parents while a child and had resided here ever since. Her husband was a prominent railway man, died 1884.

Mrs. Burpee leaves one daughter, the wife of Hon. H. A. McKewen, judge of the supreme court of New Brunswick, and four sons, Francis P., of the Eastern Steamship Company, John, of Memphis, Tenn., who arrived in the city about four weeks ago on account of his mother's illness, and C. Bruce, of the passenger department of the C. P. R. She is also survived by two sisters, Mrs. John Duffus, of Halifax, and Mrs. Thomas Gilbert, of this city. There will be deep sympathy for all in their great loss.

The funeral will take place this afternoon from her residence, 105 Mt. Pleasant Avenue, service to begin at 2:30 o'clock.

He was a Methodist in religion and an active member of the Orange Order. Besides a wife he leaves five sons to mourn his loss. The sons are William, Stephen and Howard, in the employ of the C. P. R.; Fred, with T. McAvity and Sons, and David, in Lynn, Mass. The funeral will take place from his late residence, 223 St. James St., West End, on Tuesday afternoon at 2 o'clock.

THE TWINGES OF LUMBAGO

There is nothing like Dr. Chase's Kidney-Liver Pills to rid the uric acid from the blood, and so remove the cause of lumbago and rheumatism.

Mr. John N. Frank, farmer, Milk Lake, Alta., writes:—"For two years I suffered from lumbago. Sharp pains would dart through the back and sides or come on suddenly when bending or twisting the body. I could not do any work for months of each year, was often confined to the bed, unable to sit or stand."

"Since using Dr. Chase's Kidney-Liver Pills I have not lost any time, and have been very greatly benefited. I still have slight attacks, this treatment seems to be driving the disease out of the system."

"I have been entirely cured of annoying itching piles of three years' standing by use of Dr. Chase's Ointment."

Maple Green, Feb. 6.—John Dawson, Sr., ex-county councillor, died here this morning, at the age of about 76 years. Mr. Dawson who was instrumental in creating a separate parish of Eldon, some 15 years ago, had the honor of being the first councillor and for several years had a seat in the municipal council, where he was regarded as one of its foremost members. He was one of the most prominent citizens of the county of Restigouche and while he had a seat in the county council, did much to promote the parish of Eldon and the county in general and was always ready and willing to assist any movement in the interest of the county.

Mr. Dawson's health failed several years ago, and he resigned from the board, and left the country to reside in Annapolis valley, N. S., where he owned and conducted an orchard until last summer. Feeling a decline in health, Mr. Dawson sold out his interest in Annapolis and removed to Maple Green, six miles below Campbellton, to spend the remainder of his days in his favorite place.

Mr. Dawson died several years ago, but Mr. Dawson left several sons and daughters to mourn the loss of a kind and affectionate father. Much sympathy is felt for the family in their severe loss. The funeral will take place Saturday morning from his son's residence to Campbellton.

Obituary.

Mrs. George J. Grant.
The deceased was a son of Edward Stevenson and his widow and mother, is survived by one son, Frank, now studying medicine at McGill. It is sad to note that just a week ago Marion, the 13 year old daughter of the deceased, passed away, thus a double grief has been brought upon the family, bringing forth the sincere sympathy of their many friends.

The late Mr. Stevenson through his sterling character and pleasant ways made for himself a host of warm friends. He was a member of the I. O. F. Court, Welsford and of the Masonic Order, besides being connected with the Brotherhood of Railway Telegraphers.

Thawed Out in a Cell.
Shortly after noon yesterday Sgt. Finley of the West End was informed over the telephone that there was a man lying between Nos. 3 and 4 sheds at Sand Point frozen to death. The sergeant hastened to the place, and instead of finding a corpse he found a man helplessly drugged and placed him under arrest. The prisoner, who gives the name of Wm. Veal, is better known to others as McLeod. When picked up by the officers he had a bruised eye and a cut face. It is believed that had he not been arrested he would have soon frozen in his helpless state.

Longshoreman Injured.
Last night about nine o'clock John Beasley, a longshoreman of 28 St. James' street, was severely injured while working on board a steamship at Long Wharf. Beasley was struck by a sling chain and knocked some distance. He received a very bad scalp wound and was assisted to Dr. G. O. Baxter's office, Union street, for treatment.
