

DO IT AGAIN ST. JOHN

The reaction from war to peace has been sudden and strong. Our courage may be a bit spent, our enthusiasm for service a trifle on the wane.

It needs a little effort and some determination to rekindle the old fire, but it must be kindled if the Victory Loan is to be a success.

Canada calls upon you, therefore, for a renewal of your faith and a renewal of your effort.

And that can be best expressed if you do your utmost to inspire people to

Canada's After War Problem

Earnest Appeal for Unity
Helpfulness Made, Bef
Women's Canadian
Yesterday by Francis Jo
—Strong Protests Agai
Destruction of City Co
House.

Reconstruction and destruction w
two subjects treated of at the mee
of the Women's Canadian Club i
in the Natural History Society Ro
yesterday afternoon. A thorough
British and most inspiring address
"How Canada shall meet her after
problems" was given by Fran
Jones, special Commissioner of
Overseas Club and Patriotic Lea
and the matter of the proposed
destruction of the City Court House
thoroughly discussed and strong
tests made against the plan.

In the absence of Mrs. L. P. D.
Joy, Miss Pitcher, First Vice Presi
presided. Mrs. Dearden, secretar
read the minutes of the last execu
meeting naming the committees
the various departments of work.
Mary L. Harrison read a commun
tion from Mrs. Kuhring, bringin
fore the club the fact that for a
years efforts had been made to
serve Fort Howe as a beauty spot
the city and as a historic park.
was stated that Sir Arthur Meigh
for the Department of the Interior
taking up just such projects and
would be advisable to see what
Dominion Government would do for
John in this respect.

Minutes of the steps taken in
matter in 1911 were read, showing
a memorial to Lady LaTour had b
proposed and estimates obtained b
committee with Mrs. George F. Sh
as convenor when war stopped all
activities. The following resoluti
moved by Mrs. W. H. Shaw and
seconded by Mrs. F. C. Beattie
passed:
"Resolved that the Executive Co
cil of the Women's Canadian Club
asked to take up the matter of mak
Fort Howe a spot of historic inter
by the Dominion Parks Commis
and appoint such a committee as t
think best to bring the undertaking
a speedy fulfillment."

The matter of the contemplated
destruction of the Court House
brought before the meeting by
Alfred Morrissey who spoke of the
sacrifice of the Loyalists who bui
forty-five years after settling St. Jo
its architectural claims and the lac
economy which would be shown
tearing it down. Mrs. Powell spok
the subject bringing a message fr
Lady Tilley protesting against the
abolition of the building. Mrs. G
land Robinson and Miss Amelia Ha
were speakers who presented str
arguments for the preservation of
building. The following resolut
moved by Mrs. Alfred Morrissey
seconded by Mrs. H. A. Powell was un
mously passed:
"Resolved that in view of the str
feeling against the removal of one
our city's oldest and finest landma
in the destruction of the old Co
