A WONDERFUL REMEDY

Orange Lily is daily curing the most chronic cases of Gonorrhoea, Leucorrhoea, Painful and Suppressed Menstruation, etc. etc. etc. all of them relieved from the start by its use. And a few weeks' or months' treatment accomplishes a complete cure. This remedy is a positive, scientific preparation, and is based on the discoveries of Pasteur and Lister. It is an applied treatment; this fact is not taken internally, but is applied direct to the suffering parts, and it therefore acts with all the force of a chemical action. As it comes in antiseptic and nerve-food properties, speaking of the benefits and cures it is performing, and so sure am I that it will do what is claimed for it, that I will send absolutely free, a 50c box to every suffering woman who will write for it. Price, 81c per box, in sufficient for one month's treatment. Address, MRS. FRANCES E. CURRAH, WINDSOR, ONT.
