According to the Mail, a huge fraud was perpetrated in this constituency in the interests of the Grits:— Though Mr. Gibbs' actual majority of votes cast is only about a hundred, in the present contest, these figures would have been doubled but for a gross fraud in the rolls for the township of Pickering for been doubled but for a gross rate in the christ states, the opposite of hits, rolls for the township of Pickering for 1872. Mr. Truman White, the defeated Grit candidate, in his capacity as Reeve, and the assessor, Mr. Gilchrist, deliberately left out dozens of Mr. Gibbs' friends' names from the roll, putting on whole families of Grits in order to give votes to sons and relatives who had no right whatever to re-cord a vote.
