

15. Will you tell us about a logging bee, or any other bee you have.

16. Have you a fair supply of reading matter? Do you get any magazines or papers sent to you?

17. Is there any doctor within reach? How do you manage when there is sickness in the family?

### JOTTINGS.

Communication from Rev. J. S. Cole received too late for publication in this issue.

The Rev. R. Renison is reported to be suffering from an attack of scarlet fever.

The Revd. Thos Lloyd has resigned the mission of Gravenhurst, and has been appointed by the Bishop to Huntsville.

The Revd. G.B. Cooke, is we regret to say, leaving the Diocese, having been offered work in the Diocese of Niagara.

The Rev. W. Magnan has been appointed by the Bishop to the charge of Burkes' Falls, rendered vacant by the resignation of the Rev. C. Kilner.

There are reported to be 41 cases of typhoid fever at Port Arthur, and we regret to hear that all the children of the Rev. J.K. McMorine have been down with scarlet fever.

**JOCELYN CHURCH**—The Rev. H. Beer acknowledges, with sincere thanks, the receipt of a handsome cushion for the Jocelyn church from Miss Maud Cayley. There is also a promise of more to follow.

The ladies of the congregation at Hilton got up a concert last winter, and with the proceeds have purchased a carpet for the church, also a pair of chairs for the chancel. The appearance of this church has also been improved by the addition of a small spire with a weather vane.

**ASPDIN**—The Rev. W. Crompton desires most gratefully to acknowledge the receipt of a cheque for £50 5s. sterling sent towards the Fund for building the "Hall" at Aspden, by several friends in England who desire to remain unknown.

**PORT SYDNEY**—Our annual Sunday School picnic was held here, on Wednesday, the 3rd inst., and proved the most enjoyable event of the kind ever before experienced. The schools of Brunel and Beatrix, joined us, and together with parents and friends of the children, made up the large number of upwards of 230 people. A great many games were provided, and about forty prizes contested for. Nothing occurred to mar in the least degree the pleasure of our picnic, which will long be remembered by us all.

**MISSION OF BURKS FALLS.**—On the 1st of July last, the Rev. W.B. Magnan, late assistant of the Rev. T. Lloyd, of Gravenhurst, took charge of the mission and commenced his pastoral duties on the 6th. (4th Tuesday after Trinity), preaching at Burk's Falls, St. Mark's, Rosedale, St. Margaret's, Cyprus, to large and very attentive congregations.

The loss of our dear little church at the Falls was most keenly felt by all, but never did we fully realize our loss, until Mr. Magnan arrived, and had to conduct service on Sunday in the public school

house, in which building, thanks to the kindness of the school authorities, our services have since been held. This very uncomfortable and unsatisfactory state of things must continue until our wealthier and kind hearted brother Churchmen do something to assist us out of our present state of difficulty and distress. Let us express the hope that the appeal lately made in the Church papers by our good Bishop, may be speedily, heartily, and liberally responded to, and that those who "eat the fat, and drink the sweet, (will) send portions unto them for whom nothing is prepared." Neh. viii., 10.
