## BILL.

An Act to repeal the Act defining the boundary between the fourth Concession of the Townships of Montague and North Elmsley.

WHEREAS it appears by the Preamble Preamble.  
to the Act passed in the Session held in the tenth and eleventh years of Her Majesty's Reign, and intituled "*An Act to* 10 and 11 Vict. c. 53.  
5 "*define and establish the boundary between the fourth Concession of Montague and North Elmsley,*" that the said Act was passed because it was supposed to be impossible to find or to ascertain the place of the  
10 original post or monument at the southerly angle of lot number thirty, in the fourth Concession of the said township of Montague, which would by law be the governing point for ascertaining the original line  
15 between the fourth Concessions of the said townships: And whereas, it hath been made apparent by the testimony of Surveyors of acknowledged probity and high professional skill, that the true place of the said post or  
20 monument can be and could always have been readily ascertained, and that great and manifest injustice would be done by drawing the line aforesaid in the manner provided by the said Act, and that the general law of the  
25 country ought to be left to its operation in the premises: Be it therefore enacted, &c.

And it is hereby enacted by the authority of the same, That the Act mentioned in the Preamble to this Act, be and the said Act is  
30 hereby repealed: Provided always, That notwithstanding such repeal, all persons shall be and are hereby indemnified and saved harmless for whatever they may have done under the provisions of the said Act,  
35 while the same remained in force. Repeal of 10 and 11 Vict. c. 53. Proviso: all persons held harmless for what they have done under the said Act.
