Does not need to be introduced. It is well known.

GOOD COAL

for you, no matter where you are. Our business is not local by any means. In order to get good results you must burn good fuel. We know our coal has more heat units to the ton than any other coal on the market, so if you wish to obtain a reliable fuel—a coal which we guarantee to give satisfaction in every respect you might as well stipulate for your coal through your dealer or order direct.
