HILLMEN SQUEEZE OUT R. C. A. F.

Trounce Mounties On Same Trip

Playing the same type of slow, lazy, cross court passing game as the St. Catherine's Tepies, who robbed U. N. B. of a Dominion Championship two years ago, the Scoudouc Pliers held U. N. B. to a 26-25 score. The count at the quarter-time was 8-4 for U. N. B., with Stothart leading the scoring, and at half-time the Hillmen still edged a 10-9 lead. In the third quarter the Red and Black machine really started to roll, and as a result they carried an impressive-looking 19-11 lead into the final stanza. However in the last quarter the Airmen made a surprise comeback, scoring two baskets by the spectacular shooting of their flashy forward, Dale Main. U. N. B. called time out, and when play was resumed, the referee "Le Frere Costello" called a technical foul on Scoudouc for playing six men at one time. When the Airmen disputed his decision, Costello promptly called a second technical, and Gerry Lockhart proceeded to dent the twines for two points. Thus Varsity's lead was extended to 21-15. But the Airmen were still in the game, and by virtue of some spectacular shooting, they gained a lead of 24-21. It was then that one of the Airmen made the fatal mistake of fouling "the old Mitt," and U. N. B. now trailed by a single point. Coach Ryan then sent in Art Demers for "Stash" Stohart, and he himself replaced Elgee. With about two minutes of playing time remaining, Demers stole the ball from one of the Scoudouc guards to give U. N. B. the lead again. Once more the Airmen tied it up, when Ravinsky sank his foul shot, and with less than a minute to go it looked like anybody's game. It was in the dying seconds of the game that the great climax was reached. Howie, our energetic little coach, got himself fouled and calmly taking his place at the foul line, with both eyes shut and a prayer on his lips, he demonstrated to the boys how foul shots should be taken.—The game was over, and how!

In the opening game of the U.N.B.—Mt. A. series, the varsity hoopmen trimmed the Mounties to the impressive tune of 54-19. Although the Mt. A. boys opened the scoring with a quick basket followed by an ear-splitting ovation from the crowd, the Hillmen soon knotted the count. The game was very rough with Referee Bob Brodie calling several personal fouls on both teams. The count at half time stood at 27-11 for the Red and Black five.

In the second half the U.N.B. second string line and guard took over and outscored the Mounties 8-5 and also did a marvellous job in their checking. When the first string returned to the floor the Mt. A. team was literally trampled on by

MT. A. UPSETS U. N. B. SQUAD

In the second game of a two-game series the hockey team from Mount Allison defeated the University of New Brunswick 5-2 at the College Rink. Having lost the first game 6-3 on home ice the Garnet and Gold team came all out to win. From the opening whistle they appeared much improved and showed remarkable speed on the breaks and at back-checking. The home team, on skates for the first time since they played in Chatham, seemed completely disorganized and unable to click on the plays. The first period opened very slowly, the visiting team showing a decided edge in play. Beck opened the scoring in a smart play with Geddes and before the period ended Geddes scored twice to make the score 3-0.

In the second frame the Mounties shot two more goals past Stevenson, the first notched by Geddes, his third of the game, and the second by Beck. In this period also the Alsonians had the edge of the play. In the third period the Red and Black out-played their rivals, showing a marked pick-up in form. They were more like themselves as time again they rushed on goalie Moulard, who had been playing a masterful game all evening, but seemed unable to get by him. Finally Bud Stuart, star forward grabbed a pass from "Doc" Fleming and rifled a shot from close in that Moulard didn't have a chance to stop. A few minutes later Captain Blake O'Brien brought the puck down the ice flipped it over to Stuart, rounded the net and slapped Stuart's pass out for the last few minutes and home for keeps. Moulard held them the game ended 5-2, thus tying the record score 14-5 in series Moulard, Geddes and Beck were stars for the visitors. "Shorty" Clark handled the whistle.

The smooth, quick-breaking plays of the Hillmen squad. Stohart, Owens, Mitton, Elgee and Demers were outstanding for U.N.B. Robinson and Crawford did the scoring for the Mounties.

The Mt. A. team will play the return game here on March 2nd.

SPORT SHOTS

INTERCLASS HOCKEY CHAMPS.

With the 1945 edition of the interclass hockey season over, we'd like to congratulate the seniors, who for the fourth consecutive time came out champs. We may be wrong but as far as can be found out this is the first time that one class has won the championship throughout their college career. This is quite a record for the team to leave behind them and it probably will be quite a while before it is broken. With a few exceptions, "Skippy" Ayers, Jim MacKenzie, Connie Mulherin, Jud Adams, Mac Adamson, Uffe Andersen, Ed Reid and Charlie Bunker have represented the 45ers since their freshman year and although there have been some ups and downs they had the stuff when it counted most. Great going gang!

BASKETBALL

Red and Black basketball teams had a really successful week-end. At Sackville, the senior varsity team upheld its overwhelming superiority over the Mt. A. squad with a 54-19 walloping. On the considerably smaller floor at Sackville the boys must have been really on the bit and should be able to increase the 35 point lead with ease on the massive Beaverbrook floor when the two teams meet again.

The Junior Varsity squad experienced a bit more trouble at Woodstock with a narrow win over the High School. The Junior team is no slouch and Woodstock will bear watching in the coming interscholastic basketball series.

HOCKEY

Our congratulations and sympathies go to the hockey team. Their "tear" of the North Shore was a roaring success. But their first home game, against Mt. A. was a sad experience for the team and its supporters. We were fortunate to get even a tie for the series. At no time during the game did they exhibit the fine team work which has paid them big dividends so far this season. Not being on the ice from Monday till Friday did not help matters any. The boys have one chance to redeem themselves—by beating St. Joseph's next week. Otherwise their trip to Nova Scotia for the Maritime Finals will be cancelled—by their own request.

ODDS N' ENDS

Bud Stuart collected 18 points on the 3 game tour of the North Shore. Maurice Richard, Canadians smart winger broke the all time record by scoring 45 goals in one season—and he is not finished yet. Thanks are due the Rink Mgr., caretaker and the 50c-an-hour boys from the Residence for the hurry-up job they did on the snow Friday nite (me thinks they should have left the darned stuff on the ice).

JR. VARSITY INTERCLASH

On Saturday night the Junior Varsity squad of U. N. B. defeated the Woodstock High School team in the Arinoury at Woodstock by a score of 24-21.

The town team took an early lead at quarter time were ahead 7 points. The next quarter this lead was cut to 1 point as the Red and Black outfit settled down.

The next half was a close checking affair with both sides playing heads-up ball and waiting for the breaks. True, Brooks and MacEachern led the Junior Varsity boys from behind to tie, and then on to win the game in a thrilling finish.

Gene True led the scoring parade with 11 markers. Miller and Holmes starred on U. N. B.'s guard line.

A friend in power is a friend lost.

Champions for the fourth straight year the Senior Class hockey team defeated a combined Sophomore and Freshman team 7-3 in what was probably the last game of the season and the last in which this great hockey team will play together. Anderson, Reid, Mulherin and Adamson figured in the scoring for the champs, while Barnett and Mallory scored for the losers.

The second place Freshman team handed the Juniors their last defeat of the season and made certain they went winless by trimming them 7-4. Shanahan, Bradley, Bell, Dornahie and Barnett scored for the Freshmen, while McLeod, MacDonald, Weyman and Wicks (who also put on a boxing display with five or six Freshmen) scored for the Juniors.

BOWLING

The feature event of the University Bowling League season came off last Saturday afternoon when Paul Robinson's Wildcats met and defeated Frank Horgan's Tigers in a first-place fight. The Tigers took the first string by one pin in spite of a last minute spare by Robinson, but the Wildcats were not to be denied and surged back to carry the second string by eleven pins. Robinson, Lewis, and Cowan piled up most of the Wildcat's total, and Don Eldridge and Horgan led the losers.

The Aces lost a golden opportunity to seize first place when they were tumbled to defeat by the Spartans, who won the second string by twenty pins after losing the first by sixteen. Aubrey Lewis and Don Green led the Spartans in their drive out of the league cellar, while Gern Wheeler continued to pace the winners.

The Beavers topped the Rockets 2-1, led by Joe Kaplan and Royden Macnum. Connie Mulherin and Cec MacDiarmid bowled well in the losing cause. Beavers took over sole possession of fourth place.

The Maroons tumbled the Hornets to a 3-0 defeat, with Percy Fainer showing the way. Doug Murray was the only bright light for the losers.

Fainer took up where he left off, only more so, and set a new mark for the league's high two at 231, as he led his own Eagles to a clean sweep win over the Giants. Allen was easily the pick of the losers.

The Clippers swamped the Pirates in the final match to win three points with no trouble. Cec MacDiarmid and Andrews knocked over most of the pins for the winners, and Jud Adams was the only man bowling well for the losers, who had an off day.

Percy Fainer's feat of rolling 224 for the Maroons and following it up with a 231 for the Eagles was the afternoon's highlight. Other high bowlers were Cec MacDiarmid with 224, Allen 217, Wheeler 216, Eldridge 207, and Robinson 201.

Co-Eds of F

(The following article was prepared for the Co-ed Edition, but couldn't be printed due to lack of space. However, as Founder's Day has just been observed, it may still be deemed appropriate.)

It seems very fitting that in this Co-ed Brunswickan, we should devote a little thought and space to the co-eds of former years, for we girls at U. N. B. are part of an ever-growing band of women, who since 1889 have been going out from this university and making their mark in many parts of endeavor.

Mary Kingsley Tibbits was the trail-blazer, and in 1886 she tramped up the hill to invade what had hitherto been strictly a man's stamping ground. We can all imagine that the "college Joe's" of 1886 must have done considerable masculine grumbling about this intrusion on their premises, but Miss Tibbits always found them very polite and courteous. Miss Tibbits received her B. A. in 1889, and M. A. (Hon.) in 1914. The Encaenial exercises of 1939 were very fittingly marked by the conferring upon her of a LL. D. degree, on the fiftieth anniversary of co-education at U. N. B. Until her retirement a year ago, Miss Tibbits taught in a Massachusetts high school.

The barrier had been broken down, and other girls began to find their way to U. N. B. In 1892 Ellen Peake received her B. A. Going to the U.S. she became a professor of English in Oshkosh Normal School, Wisconsin. In 1930 she took an M. A. degree. Miss Peake retired about a year ago, and died shortly after, leaving to the university a bequest for scholarships. Mrs. Garland Foster (Annie Ross) was another of our lady graduates, she received her parchment in 1896. In 1932, she obtained her M. A., her book being "The Mohawk Princess: The Life of Pauline Johnston," which you will find in the Hathaway collection in our library.

"White Foppies" a poem by Mrs. Foster appears in an edition of the Brunswickan 1926. Mrs. Foster now resides in British Columbia and is very active there. Another graduate of '96 was Edna White, a clever classical student. While at the University she entered and won a contest sponsored by Chicago University, and open to students all over North America. The subject of the competition was the Greek Testament, and Edna White was her own tutor, doing the preparation for the contest on her own accord. Mabel Sterling who graduated from U. N. B. in 1896 was the first Librarian at U. N. B. She held the position from 1930-1942 when ill health forced her retirement.

Mrs. Brown Maxwell, who received her B. A. in 1898, is another of our graduates well known in the literary and historical fields as both author and editor. A "History of Central New Brunswick" and "How New Brunswick Grew" are two of Mrs. Maxwell's books dealing with our own province. In addition, she had edited several books and is also well known for her numerous interesting historical articles. Being an authority on genealogy Mrs. Maxwell does much work in this field.

Another graduate who displayed talent in literature is Marianne Ott, who now resides at Gagetown. Receiving her B. A. from U. N. B. in 1911 and M. A. at Chicago in 1912, Miss Ott has written widely for magazines, and also did much work for government bureaus in the U. S., getting out tourist literature. Isabel Bliss, who was a cousin of Bliss Carman, is another of our grads. She received her B. A. at U. N. B. in 1917. In 1921 she obtained an M. A., and later on a Ph. D. degree. At present, Miss Bliss is professor at Western College, Oxford, Ohio. Dorothy Gostwick Roberts, daughter of Capt. and Mrs. Theodore Roberts, who are now resident in Fredericton, is another of our students who have become known in literature. Her poems are collected in "Songs For Swif Feet," a Fryerson Poetry Chap book.

We are proud to claim Muriel Miller as another graduate of U. N. B. Educated locally, first at Harland Superior School, then at Fredericton High, she then came up the hill. In 1931 she received her B. A. winning on graduation the Douglas Gold Medal for her English essay on Bliss Carman. Miss Miller took her M. A. in English at the University of Toronto in 1933. She has won high praise in the field of Liter-
