

PLACE	DATE	TIME	SUMMARY OF EVENTS	REFERENCE TO APPENDICES
Camp Borden	22-8-45 (cont.)		The Station Softball team was again victorious in the game this evening against the R.C.O.C./R.C.E.M.E. team with a score of five to nothing. We are now in third place and are now heading for the play-offs it is to be hoped that the team will get the proper support from the Station on the stands.	
	23-8-45		0800 hours the ceiling and visibility was unlimited. There was no training flying, but the flying was for the benefit of the Air Cadets only. Flying was washed in at 0900 hours and was washed out at 1730 hours. The total flying for the day was 46:40 hours.	
			The Commanding Officer of No. 1 S.F.T.S. Camp Borden, Group Captain Harvey <u>AFC</u> held an inspection of all the Air Cadets on the Station. The different squadrons of the Air Cadet Corps paraded at 0900 hours, and, after the Commanding Officer inspected the different units, there was a general march past.  This will probably be the last course of Air Cadets that will be on this unit, as school will take their time until next summer.	
	24-8-45		0800 hours the ceiling and visibility was unlimited. Flying was washed in at 0900 hours, and was washed out at 1730 hours. Flying was for Air Cadets only, and there was no training flying. The total flying for the day amounted to 50:15 hours  The Commanding Officer, Group Captain Harvey <u>AFC</u> held his weekly parade and inspection at 0800 hours this morning. The different squadrons were assembled at 0730 hours, and were then marched to the parade square where the Commanding Officer held the inspection.  The normal routine of the station was then carried on. The Commanding Officer went on a tour of the Station buildings and grounds.  The Air Cadets held a boxing tournament to-night in the drill hall, which was well attended by most of the Station personnel. F/O Eddie Sergeant of Owen Sound, one of the Air Cadet Officers, was in charge of the refereeing. The Air Cadets produced some very skillful boxers for the event.	
	25-8-45		0800 hours the ceiling was six thousand feet, and the visibility was from five to eight miles, with fog and haze. Flying was washed in for Air Cadet flights only, at 0830 hours, and was washed out at 1200 hours. The total flying for the day was 16:40 hours.  The last course of Air Cadets on this unit left to-day. The Air Cadets enjoyed a ten day course on this unit, during which most of the boys managed to obtain at least one flight in one of the Station aircraft.
