

SAND SPRINGS HOME

SAND SPRINGS, OKLAHOMA

September 19, 1919

Mr. Mackenzie King,
The Roxborough,
Ottawa, Canada,

My Dear Mr. Mackenzie:--I learn through the Rockefeller Foundation that you recently conducted a Study of Industrial Conditions, and I note that at one time the Rockefeller Foundation contributed to the work.

I am associated with Mr. Page in carrying out some work that he has here and I would be pleased if you would inform me as to the manner in which your investigations have been given to the public and if in the form of publications where they may be obtained.

Mr Page is the founder of Sand Springs Home and has in the Home at the present time about sixty dependent children whom he is supporting and educating and it occurred to me that there might be something in the study conducted by you which would be of service to us in working out some of the problems which present themselves here at times and which will arise in the future.

Thanking you for any information you may be able to give me, I am

Very sincerely yours,
