Sir,

I have to acknowledge the receipt of your letter of the 14th inst., inclosing a report from Mr. Agent Galbraith as to the condition of the Kootenay Industrial School buildings, in which he recommends the expenditure of \$75.00 or \$100.00 on the foundations of the buildings in order to make them safe.

In reply I beg to say that the Agent's recommendation is approved and you may authorize him to have repairs made to this extent but no more.

Your obedient servant,
