Ottawa Sept 24th, 1910.

Sir,-

I beg to enclose herewith one of the copies of the plan forwarded with your letter of the 20th inst. No. 9930 showing the Right of way of the Canadian Northern Railway through the Fairford Indian Reserve No. 50 Manitoba and to request you to be good enough to retain this copy for record in your Department and to return to this Department the copy on tracing linen which you have retained.

I may say that in all cases the tracing should be returned to this Department as it is required especially for making other blue print copies.

Your obedient servant
