

THE KIDNEYS.

THE KIDNEYS act as the sewerage system of the body, and perform most important work in removing uric acid and other impurities from the system.

The retention of uric acid in the body through wrong action of the Kidneys causes Rheumatism and similar complaints, and in addition to this the usual consequences of disordered action of the Kidneys are Backache, Headache, Paleness, Weakness, Dropsy, Fever, etc. All may be easily and promptly cured by means of Burdock Blood Bitters, which possesses the most perfect diuretic powers, whereby through the urinary secretion all offending impurities are washed out of the kidneys and discharged from the system. In this way the Kidneys are restored to healthy action, while the correcting and regulating action of B.B.B. upon the bowels, bile and blood, brings all the organs into harmonious action, thus producing the best results without the use of baneful drugs or instruments. Complete cures of cases which could not previously be even relieved have been effected by B.B.B. See testimonials.

Lame Back. This distressing complaint results from disorder of the Kidneys. It is both painful and unnecessary, for Burdock Blood Bitters through its diuretic action on the Kidneys and urinary organs, is an efficient cure which is successful even where all other remedies have failed.

MISS REINHARDT.

GENTLEMEN,—After having undergone two operations for Kidney Complaint without securing the least relief, and hearing of some remarkable cures made by B.B.B. in our neighborhood, I decided to try it. I was given up by the doctors after the operations failed, and it was providential that I heard of B.B.B. After the use of six bottles I experienced so great relief and so great a change for the better that I felt the good effects would be lasting, as indeed they have been. The seventh bottle perfectly cured me and I am now stronger and better than I ever was before. People who saw me before I took B.B.B. and who see me now can scarcely believe that I am the same person.

SOUND AS A DOLLAR.

GENTLEMEN,—About three months ago I was all used up with Rheumatism, suffering more than torture from it frequently. I took three bottles of your valuable medicine, Burdock Blood Bitters, and now feel all O.K. again. Some six years ago I took a few bottles of B.B.B. and found it the best medicine I had ever used. I had the very best of health until this attack of Rheumatism, but now I am glad to say that B.B.B. has made me as sound as a dollar.
