

It is fondly hoped that when the proposed building is erected that a greatly increased number of girls will be sent out as good domestic servants—a class greatly needed in this country.

The ladies desire to tender their sincere thanks to Dr. McCallum, who has attended this Institution for upwards of twenty years gratuitously. He has requested that Dr. Reid be allowed to take his place; but has expressed his willingness, that his services be retained as consulting physician,

Thanks are due also to Mr. E. Muir, who has for the last two years provided all the medicines required in the "Home."

To Mr. Joseph Gould for his handsome donation of fifty dollars towards the purchase of a melodeon.

To Messrs. Lovell, Becket, and Stevenson for printing.

To the Witness and Star for inserting acknowledgments.

Other valuable donations of clothing, provisions, &c., have been received, for which the sincere thanks of the Committee are tendered, also to the St. Andrew's Church Dorcas Society for an ample supply of winter garments, boots, &c.

At a special Meeting of the Committee called last week, it was

*Resolved*,—that whereas a Young Women's Christian Association has been commenced in this city, the Committee of the "Home and School of Industry" do now record that this new association is *not in any way connected* with the "Home and School of Industry," and is under entirely distinct management.

Through the exertions of ladies belonging to different protestant churches of this city a Floral Festival, in aid of the building fund, was held in the Mechanics' Hall on the 27th April, which realized over \$2,000.

The Committee, feeling greatly encouraged by the success of this effort, and the many kind promises that have been given of subscriptions towards the building fund, do fondly hope that God's blessing may attend their work in the future as it has done in the past. May it ever be remem-
