Principal for Veterinary College

Dr. E. E. A. Grange has been ap-pointed principal of the Ontario Vet-erinary College, which is being tak-en over by the Ontario Government, to be run as a provincial institution by the Ontario Department of Agriculture on lines similar to the Ontario Agricultural College. Grange is a son of the late sheriff Grange of Guelph. He graduated Grange of Gueiph. He graduated as a veterinary surgeon from the Ontario Veterinary College in 1873. For a time he was lecturer at the college. From 1873 to 1882 he was professor of Veterinary Science at the Ontario Agricultural College. In 1882 he was appointed Professor of Veterinary Science at the Michigan Agricultural College ,and for some years was State Veterinarian for Michigan. During the past six years Dr. Grange has been in practice in the city of New York and vicinity. The De-partment is leasing the present On-tario Veterinary College buildings. Grange takes office May 1st, and will at once plan a new three years' course of instruction and get things in shape to begin work in October.

Sheep Scab

The live stock branch of the On-tario Agricultural College, Guelph, have prepared the following notes

in regard to sheep scab:
CAUSE.—The disease is caused by
a mite which pricks the skin of the sheep, causing a scab to form, under which the mite lives. SYMPTOMS.—The animal is rest-

Is a strict of the strict of t being scratched, the animal will com-mence nibbling. This is one sure symptom of the disease.

EFFECTS.—The fleece falls

usually beginning at the shoulders and working backward and downand working backward or if lambs are carried to full time they are likely to be weak and unthrifty.

likely to be weak and unthrifty.

TREATMENT—Dip all animals and spray all buildings where affected sheep have been housed. Shear sheep and put in dipping vat for at least two minutes. See that animals are completely submerged at least once. A second dipping must follow it is not because of the second with the second dipping in the follow it is not because of the second dipping in the follow. at an interval of seven to ten days Isolate animals from fields or lot where disease is suspected for at least two months, at the end of which time

the mites should be dead.

DIPS.—Any good stock dip should be effective, but the lime and sulphur dip is the surest and best.

cip is the surest and best.

To make lime and sulphur dip,
take eight pounds of unslaked lime,
put in a mortar box or tub and slineke
with water so as to form a lime
paste, add twenty-four pounds of
flowers of sulphur and stir well. Put
this mixture in about twenty force. this mixture in about twenty live gallons of water and boil for two hours, string constantly. When boiled, strain the mixture through sacks and add enough water to bring the total amount of dip up to one hundred gallons. Use the dip at a temperature of 100 degrees to 111 de-

Horse Show at Toronto

That the well-to-do and wealthy That the well-to-do and wealthy people are not allowing heir craze for autos to drown their love of good horses, was amply demonstrated by the crowds of people that attended the 14th annual horse show that opened at the St. Lawrence Arena on April 30th. The horse show is a dayril on the state of the sta hand with their horses, the exhibits Long Distance Phone.

being largely in the hands of pro-fessional dealers and wholesale busi-ness concerns. The show is largeness concerns. The show is large-ly patronized by the society element, there being a very small percentagin attendance from the country.

The classes that are of most interest to our dealers were out in very est to our dealers were out in very small numbers, with the exception of the Hackneys. These made a good display. Draught horse competition small numbers, with the exception of the Hackneys. These made a good display. Draught horse competition was apparently not wanted, as there were few prizes offered for such classes. The Association might very profitably add a liberal amount of cash to the heavy horse department. Four and six horse teams, similar to rour and six norse teams, similar to the principal attraction at the Inter-national at Chicago, would be a drawing card for outside attendance, and would also be of great interest to the present patrons of the show.

to the present patrons of the show. The saddle and hunter classes were up to the standard. The principal winners were the Hon. Adam Beck, London; Crow & Murray, Toronto; George Pepper, Toronto; and Geo. W. Beardmore. North Cond. M. Cond. W. Beardmore. North Cond. M. Adams of the Cond. American that made any entries, was also numbered among the winners. also numbered among the winners. The roadster classes were well filled with good movers that showed considerable speed. In this class, O. B. Sheppard captured the championship with his brown mare, Belle. The harness and high-stepping classes, were well represented with high class were well represented with high class performers. A. Yeager, Simcoe; Langdon Wilks, Galt; Crow & Mur-ray, Geo. Pepper, Dr. W. A. Young, Toronto, and the Ennisclare Stables, were the principal exhibitors. In the Hackney Class, Sen. Beith, the well known importer of Bowmanville, well known importer of Bownanville, was a successful exhibitor. Mr. T. H. Hassard, Millbrook, had the honor of winning first on his Hackney stallion Marion Kassius, in harness, for the horse most suitable to improve the type suitable to improve the type for heavy harness horses. The class was a strong one. A Yeager took second on Bold Elsenham, and Crow & Murray, 3rd on Arley A. The pony classes were well filled and made an attractive exhibit, both in the ordinary and pole classes.

The Dominion Transport Co. Jos. E. Rogers, Toronto; and E. Ding-tries in Clydesdales. The principal honors in this class were carried off by the Dominion Transport Co.

The judges were: Harness horses

by the Dominion Transport Co.
