## THE MANITOBA WASHER

cleans perfectly clean in ten minutes sixteen shirts, or equal to ten sheets, saves the boiling also by giving the clothes a second scud with boiling water six minutes, making in all sixteen minutes' operating to complete about a tubful of clothes, washing and boiling. A little boy can operate it with one hand. You cannot afford to be without this machine.

Rev. John Semmens, President of the Manitoba Methodist Conference, says of it—"Gives us perfect satisfaction. We do our washing now in one-third of the time it formerly took." Rev. A. W. Ross, of Portage la Prairie, Chairman of the District, says of it—"Have used one of your Manitoba Washers for six months; gives us perfect satisfaction; would not be without it for any consideration." Mr. J. K. Elliott, of the firm of R. J. Whitlaw, says of it—"It is really the best article that ever came into my house." They are recommended by Laundrymen, Hotelkeepers, as well as private families using them. All are loud in their praises, and the unanimous opinion is that the clothes are whiter and cleaner than the usual hand washing. The Tribune, Free Press and Farmer's Advocate of Winnipeg, the Globe and Empire of Toronto, have made special mention of the work done with this machine both at Winnipeg and Toronto, their representatives being present at the public tests given at different times. Money refunded if not satisfactory in every respect within thirty days after receipt of the machine. Agents wanted for every county in the Dominion. Would like one merchant at least in every town to handle them.

## The Best

INVESTMENT!

AND WHERE TO GET IT.

The man aged 30 who invests, say \$216 per annum for seven years in a building association which is honestly managed, which meets with no losses, will in case of death, say after seven years, have provided for his estate to the extent of possibly \$4,000. The man who invests \$216 in the MANUFACTURERS' LIFE will in case of death, the moment the premium upon his policy is paid, have provided for his estate to the extent of nearly \$15,000, if insured on the ten-twenty plan, and the same sum invested in a twenty-year endowment will add \$5,000 to his estate at death, and if he lives to complete the payment of his twenty-year premiums he will then have in hand very nearly as much money, IN ADDITION TO HIS POLICY OF \$5,000, as if he had taken the building association stock!
