

A CURE IN EVERY TOWN

Tell Me Where You Are and I'll Give You the Name of Somebody You Know that I've Cured

YOU CAN TALK WITH THE MEN AND WOMEN who have been cured by my treatment, and that's worth considering. I might preach for years in my efforts to gather converts to my way of curing disease and nobody would pay any attention to my arguments, but when I tell you I have cured your neighbor, Mr. A. Smith, or your old friend, Mr. Johnston, and you can go and ask them about me and they tell you I have cured them, then I have given you proof, and you know that I do all I claim. And I want you to give me credit for what I prove. There's nothing surer than the word of an honest man, and when such men as these admit that I have cured them you know that I can cure you.

My way is different from all others. It is my own plan, and it is as simple as anything can be. I find a man suffering from stomach trouble, arising from a weakness of the organs of digestion and assimilation. Now, what is the use of pouring drugs into that poor stomach? It does not want drugs to force an action. It wants strength.

You know there is not an organ in the body which will not do its work well if it has the strength. You will never feel a pain or moment of distress unless some part of your body is weak. Remember that, and don't paralyze your poor stomach with poisons. My plan is to give strength to the part that is ailing. I do that, and the trouble is gone before you understand why.

If you live in Vittoria, Ont., you may know Elmer C. Jewell, who recently took up my treatment, and who to-day is praising my Belt as the best thing he ever tried for any trouble. He states what my treatment has done for him. See what he says:

Dear Sir,—I had little faith in your Belt when I commenced wearing it. My stomach trouble left me four months ago, and as it has not returned I consider myself cured. My case was chronic dyspepsia, which I have had for nearly twenty years. I give you this as a testimony which I believe to be correct. You can use my name if you wish and I will answer anyone enquiring who encloses a stamp. Accept my thanks. Yours, **ELMER C. JEWELL**, Vittoria, Ont., January 7, 1904.

I don't think there is any case of weakness, failure of vitality or of any trouble resulting from the imperfect action of any organ of the body that I can't cure. Of course, I do not cure all cases, but I have such confidence in my treatment that I will cure you first, and you can pay me after the work is done.

My strongest arguments are the letters from prominent people whom I have cured. Every man or woman who comes into my office gets a practical illustration of my method of cure, and goes away convinced that the claims I make for my **ELECTRIC BELT** are **TRUE**. After seeing original letters from the cured (letters which I am permitted to exhibit) their doubts are expelled. They know that I have not only proven that electricity is the substance of life and organic vitality, but I have perfected the best known appliance in the world for replenishing that force in the body when it is lost. My Electric Belt is the result of years of scientific study, coupled with experience and mechanical skill.

Dr. McLaughlin's Electric Belt

Cures where others fail and here is evidence of it:

The Belt Cured After the Failure of Doctors.

DR. McLAUGHLIN:

Dear Sir—I am pleased to see you inquiring about the result of your Belt. I must say that it has done me a lot of good, my back is cured and I feel well. I must state that I have not taken medicine of any kind since using your Belt. Before I had the Belt I was under the care of a doctor; I could not eat, I could not sleep, and I was sure my end had come. Since I am using your Belt I sleep well, have a good appetite and have gained 30 pounds, so you see that I have got the benefit of the Belt. I would strongly recommend anyone who is suffering to use your Electric Belt; it is exactly what you recommend it to be. If you wish you may use this letter as a recommendation for your Belt. Yours very truly, Mrs. JESSE LAVIGNE, Aylmer, Que.

I could cite thousands of similar cases. My office contains thousands of letters from just such cases. My treatment is a success in any case where strength is lacking, whether in the nerves, stomach, heart, kidneys, liver or any other part. My appliance gives a soothing, constant electric glow, which is taken by the body just as a sponge takes up water. It cures weakness in any guise, as well as any other form of pain. My cures prove the truth of my arguments.

EASY TO WEAR. CURES WHILE YOU SLEEP.

I don't ask you to take any chances. I am willing to do that, because I know my Belt will cure any case I undertake if given a fair chance. All I ask is that you secure me while you are using it. Remember,

It Doesn't Cost You a Cent Until Cured.

Don't delay trying it. Your future happiness depends on your checking this drain upon your vitality, so stop it now and you can be sure of a long and vigorous life, full of the joys of a healthy vigor.

Don't drug. Drugs can't cure you, as you know, if you have tried them. My Belt cures because it increases your nerve power and vitality. Electricity renews the youthful strength; that cures. If you will call I will give you a free test of what I can do.

SPECIAL NOTICE. Dr. McLaughlin's Electric Belt is the only electric appliance sold in Canada with which the patient has the care of a physician during the time it is used. Agents or drug stores are not allowed to sell my Belts.

FREE BOOK. Every man who admires the perfection of physical strength should read my beautifully illustrated book. It tells how strength is lost and how I restore it with my Electric Belt. I will send this book, closely sealed, free upon request. If you are not the man you should be, write to-day.
