Five Reasons Why

Confidence of the Canadian public in

never so great as at present:

the Company's record has been throughout the 37 years it has in operation.

its plans of insurance are up-to-date and just what the insuring public requires.

its policyholders are eminently satisfied with the results realized through their policies.

the general public is beginning to see the good things the Company has to offer for its policyholders, and being purely mutual, the policyholders are more than customers, they are co-partners in the Company, and they share equitably in all its benefits.

POLICIES ISSUED ON ALL APPROVED PLANS

Seven to One

That is about the ratio. About seven times as many persons are injured as die from all causes yearly. Accidents are a more prolific cause of death than any disease except lung diseases. Twice as many people are accidentally killed as die of old age. Does it not seem reasonable to you as a business man that it would be to your interest to carry an accident policy.

"THE BEST RESULTS OBTAINABLE."

In acknowledging his Policy for a large amount, an eminent Western Professional man wrote as follows:—

"The particular reason why I gave this Insurance to the Great-West Life is because I know that this Company has been well conducted, and will bring me ultimately the very best results obtainable."

This is the invariable experience of Great West Policyholders. The Company offers Insurance at low rates, on liberal conditions, and with notably high profit returns to Policyholders.
