YOU MAY BE CURED YET!
HOLLOWAY'S OINTMENT.

CURE OF RHEUMATISM AND RHEUMATIC GOUT.
Extract of a Letter from Mr. Thomas Branton, Lord of the Waterloo Tavern, Coatham, Yorkshire, late of the Life Guards, dated September 28th, 1848.

To Professor Holloway,
Sir,—For a long time I was a martyr to Rheumatism and Rheumatic Gout, and for ten weeks previous to using your medicines, I was so bad as not to be able to walk. I had tried doctoring and medicines of every kind, but all to no avail, indeed I daily got worse, and felt that I must shortly die. From seeing your remedies advertised in the paper I take in, I thought I would give them a trial. I did so. I rubbed the Ointment in as directed, and kept cabbage leaves to the parts thickly spread with it, and took the Pills night and morning. In three weeks I was enabled to walk about for an hour or two in the day with a stick, and in seven weeks I could go any where without one. I am now, by the blessing of God and your medicines, quite well, and have been attending to my business more than seven months, without any symptoms of the return of my old complaint.

Besides my case of Rheumatic Gout, I have lately had proof that your Pills and Ointment will heal any old wound or ulcer, as a married woman, living near me, had a bad leg for four years, which no one could cure, and I gave her some of your Pills and Ointment, which soundly healed it when nothing else would do it. For your information I had the honour to serve my country for twenty-five years in the first regiment of Life Guards, and was eighteen years a corporal. I was two years in the Peninsular War, and was at the Battle of Waterloo, 1833. The Commanding Officer at that time, was Colonel Lygon, who is now a General. I belonged to my business more than seven months, without any symptoms of the return of my old complaint.

(Signed) **THOMAS BRANTON**

CURE OF A BAD LEG OF TWENTY-ONE YEARS' STANDING.

Extract of a Letter from Mr. Andrew Brack, Blacksmith, Eyemouth, near Berwick, dated the 10th of August, 1848.

To Professor Holloway,
Sir,—With pleasure and gratitude I have to inform you that after suffering for 21 years with a bad leg, which yielded to no kind of treatment, although I consulted, at different times, every medical man of eminence in this part of the country, but all to no purpose. I was frequently unable to work; and the pain and agony I often endured no one can tell. My leg is now as sound as ever and it was in my life by means of your Pills and Ointment, which I purchased from Mr. J. Davidson, Druggist, Berwick-upon-Tweed, who knows my case well, and will, I am sure, be happy to certify with me, if necessary, as to the truth of this wonderful cure. (Signed) **ANDREW BRACK.**

AMPUTATION OF TWO TOES PREVENTED.

Extract of a Letter from Mr. Oliver Smith Jenkins, dated Falkirk, August 13th, 1848.

To Professor Holloway,
Sir,—I was superintending, about six months ago, the erection of one of our Railway Bridges, and by the fall of a large stone my right foot was seriously bruised, which ultimately got so bad, that I was advised to go to Edinburgh to consult some of the eminent Surgeons, which I did, and was told that in order to save my foot, two of my toes must be taken off. In despair, I returned home to impart the melancholy news to my wife, intending to submit to the operation, it was then a thought struck me to try your valuable Ointment and Pills, which I did, and was by their means in three weeks enabled to resume my usual occupation, and at this time my toes are perfectly cured. (Signed) **OLIVER SMITH JENKINS.**

AN EXTRAORDINARY CURE OF A DESPERATE SKIN DISEASE.

On the 21st July, 1848, the Editor of the "Holloway" Newspaper, published in India, inserted the following Editorial article in his paper. "We know for a fact, that Holloway's Pills and Ointment act in a most wonderful manner upon the constitution, as an eccentric Coolie, called Eliza, employed in our Establishment, was affected with myriads of Kingworms, which defiled all the Members, and prompted to devour the poor man before he was under ground; we tried 'Holloway' upon him, and in a month he was perfectly restored to his former condition and cleanliness of skin. The effect was miraculous."

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs,	Cancers,	Scalds,
Bad Breasts,	Contracted and Stiff-joints,	Scalds,
Burns,	Elephantiasis,	Sore Throats,
Bunions,	Fistulas,	Skin Diseases,
Bites/Moschetoes,	Gout,	Scurvy,
and Sandflies,	Glandular swellings,	Sore Heads,
Coco-Bay,	Lumbago,	Tumours,
Chigo-foot,	Philes,	Ulcers,
Chilblains,	Rheumatism,	Wounds,
Chopped-hands,		Yaws,
Corns (Soft),		

Directions for the guidance of patients are affixed to each Pot and Box.

Sold at the Establishment of Professor Holloway, 224 Strand, London, and by most respectable Druggists and Dealers in Medicine throughout the civilized world. Prices in Nova Scotia are 1s. 9d., 4s., 6s. 3d., 16s. 8d. 28s. 4d., and 50s. each Box. There is a considerable saving in taking the larger sizes.

The Unrivalled Summer Medicine

IS WELL KNOWN TO BE
Dr. S. Townsend's Extract of SARSAPARILLA,

WHICH assertion is endorsed by the following Testimonial from Rev. JAMES BEATTIE, Pastor of the Third Presbyterian Church, New Orleans, 18th July, 1850.
Dr. S. P. Townsend—Dear Sir: I feel it to be both a duty and a privilege to say, that for several Summers past I have used your preparation of Sarsaparilla in my family with the happiest effects. Yours, etc., **JAMES BEATTIE.**

Halifax, January 2nd, 1851.

MR. SAMUEL STORY, Junr.,
DEAR SIR,—I am happy to inform you that I had an opportunity of perceiving the good effect derived from the use of Dr. S. P. Townsend's Sarsaparilla, on Mrs. Rebecca Robinson, of Shelburne, who was considerably afflicted, having a severe Cough, with symptoms of Asthma, she took large quantities of COD LIVER OIL, but without any benefit derived from it; at my request she was induced to try your valuable Sarsaparilla, and am happy to say with great success. She has taken five Bottles, and is now able to go about her house as usual, before taking it she was confined to her bed and not expected to live. Your obedient servant, **JOSEPH WALTERS.**

TO INTENDING EMIGRANTS FROM NOVA SCOTIA.

THE CANADA COMPANY would suggest to parties who may contemplate leaving Nova Scotia that the Western Section of Canada offers every inducement for them to settle there, rather than that they should proceed to the United States. In Upper Canada they will find a most healthy climate, and abundance of excellent Land to be obtained upon easy terms from the Government and Canada Company. The great success which has attended Settlers in Upper Canada is abundantly evidenced by the prosperous condition of the Farmers throughout the Country,—by the success of many Native of New Brunswick and Nova Scotia who have settled in many Townships,—and by the individual progress made by the Company. The Canada Company's Lands are offered by way of Lease for Ten Years; or for Sale Cash down. The plan of 1-5th Cash and Balance in Installments, being done away with.

The Rents, payable 1st February each Year, are about the Interest, at six per Cent., upon the Cash Price of the Land. Upon most of the Lots, when Leased, no Money is required, whilst upon the others, according to locality, One, Two, or Three Years' Rent must be paid in advance, but these payments will free the Settler from further Calls, until the Second, Third or Fourth year of his Term of Lease.

The Settler has secured to him the right of converting his Lease into a Freehold, and of course, stopping payments of further Rents, before the expiration of the Term, upon the purchase of the Money specified in the Lease. The Lessee has thus guaranteed to him the entire benefit of his Improvements and increased value of the Land, should he wish to purchase. But he may, if he pleases, refuse to call for the Freehold; the option being completely with the Settler.

A Discount of Two per Cent. will be allowed for anticipatory payment of the purchase Money for every unexpired year of Lease, before entering the Tenth Year. The Lessee has also secured to him the benefit of the Settler's Savings Bank Account.

The direct trade now opening up between Upper Canada and Halifax presents facilities for cheap passage by the St. Lawrence to the upper Lakes, in the vicinity of valuable lands open for settlers.

Printed Papers containing full and detailed particulars, may be procured gratis from the Rev. E. Evans, Halifax, of whose permission the Company have allowed themselves to refer inquiring parties to him, as a gentleman long resident in Western Canada, and who will afford information respecting the Company's Lands, and upon Canada generally.

Star Life Insurance Company.

NOVA SCOTIANS and other RESIDENTS of this Province, who contemplate insuring their Lives for the benefit of their families, or for the purpose of accumulating a sum of money, to take effect upon their death, will find the most advantageous plan in the above Institution will be made at their Office 44, Moorgate Street, London, at the close of the year 1853. It will therefore be greatly to the advantage of those who intend to insure in it, to do so previous to 30th November in the present Year 1851, in order that they may come in at said division for their share of profits for the three years, otherwise they will have to wait until 1854 for similar participation, and it is expected that said Division the profits will be equal to, if not greater than those in 1848, when there was SIXTY Two per cent. on the premium paid in three years added, as a bonus to the Policies.—the LARGEST BONUS ever given by any Company having Agencies here. All persons will do well to consider that Life and Health are both uncertain; consequently delays are dangerous! All necessary Blankets, Pamphlets, and every information furnished gratis, by the Society's Agent or Medical Examiner.

LIFE AND FIRE INSURANCE. The Undersigned

HAS been appointed Agent for the "TRENTON MUTUAL LIFE INSURANCE COMPANY" of Trenton, United States, and having previously to taking the Agency, received satisfactory proof of the good standing and respectability of the Institution, he begs to inform the public generally that he is now prepared to issue Policies for eligible fire risks at moderate rates of premium, and to receive proposals for Life Policies, which will be forwarded to the Directors, and if accepted, Policies will be immediately returned. The Capital Stock of the Trenton Mutual is now \$250,000, well secured in good productive Stocks, Mortgage on Real Estate, and Cash in Banks—and is doing a very large and as yet from its commencement in 1847, a very successful business.

In the Life Department they issued the first year, ending 1st October, 1849, 367 Policies—a number which very few Companies of long standing ever reached in the same time. The benefit of the mutual system in Life Assurance is very apparent, and is most favourable to all Policy holders in this Society, inasmuch as they receive a portion of each year's profits yearly, being deducted from the Premiums then payable, which are lower than any of the English Companies and not subject to stamp duty—all the particulars of which are fully set forth in the Pamphlets which the Agent has for distribution, who furnishes all Blanket Examiners' Certificate gratis. All persons intending to insure are invited to call on the Agent, who will give them every information.

CERTIFICATES

Of persons who were suffering from severe attack of Erysipelas, who had tried the many remedies which are usually prescribed from which they found no relief; but on applying Mrs. BERTAUX'S MEDICINE were effectually cured.

This is to certify, that I have been afflicted with the Erysipelas, or the Salt Rheum, as the Doctors call it, for ten years. My hands were frequently so diseased, that I could make no use of them. I employed several physicians, but to no purpose as my suffering only increased. I applied Mrs. BERTAUX'S MEDICINE for a short time and was soon cured of every vestige of the disease. The third-finger which I lost, on the long and painful disease to be removed, was now more than tongue can express. After three years from the time when I used the Medicine, was threatened with a relapse or return of the disease. I applied the Medicine and the disease disappeared. From that time to the present, I am perfectly free from all symptoms of Erysipelas or Salt Rheum. I therefore heartily recommend it to all who are similarly afflicted, as a speedy and effectual remedy.

ANN S. WHELOCK, Nietaux.

August 5, 1847.

This is to certify that my wife was attacked with Erysipelas in the face. I applied Mrs. BERTAUX'S MEDICINE, and the first application stopped its progress, and continuing to use the medicine, in less than a week my wife was quite well.

ELIAS GRIMES, Wilmet.

May 1st, 1848.

Wilmet, May 1st, 1850.

This is to certify that my son was severely afflicted with the Erysipelas in his leg last summer, so badly that he scarcely slept for five successive nights. I then procured some of Mrs. BERTAUX'S MEDICINE, and applied it, and in the course of one week, the boy was well, and I verily believe if I had not used the above Medicine, that he would have lost his life.

Annapolis, January 3rd, 1851.

This is to certify that my daughter about a year ago had a very severe attack of Erysipelas in her head and face, so much so that there was left no hope of life. Medical aid was called, but the word was, that she was over the dreadful disease had overpowered the brain, and she was lying distracted. In this extremity I had accidentally heard of Mrs. BERTAUX'S MEDICINE. I went and, of a small phial, and proceeded to apply it as directed; and almost instantaneously the disease was arrested from further progress, and in a few days, the swelling was gone, and her natural colour returned, and she is now alive and well.
