### ORIGIN OF A FAMOUS HYMN.

The origin of the well-known hymn, "God moves in a mysterious way, His wonders to perform," was a curious incident in the life of its author, William Cowper, the English poet, says the "People's Home Journal." Cowper, a deeply religious man, was subject to attacks of the blackest melancholy. During one of these attacks he determined to end his life by throwing himself into the Thames River. He hired a cab to take him to the river, but a dense fog so confused the cabman that, after driving about for an hour, he admitted to his passenger that he was lost. Cowper, alighting from the cab in order to give the driver more careful directions for reaching the bridge, found that his wanderings had brought him back to his own door. Strongly affected by what seemed to him almost a divine interposition, Cowper dismissed the cab, hurried to his room and wrote his famous hymn.

### THREE BRAVE NURSES.

The King has been pleased to award the Albert Medal to Sister Gertrude Walters Carlin and Staff Nurse Harriet Elizabeth Fraser, both of the Territorial Force Nursing Service; and to Sister Gladys White, of the British Red Cross Society, in recognition of their gallantry in saving life at a casualty clearing station in Belgium last October.

Early in the morning of October 1st, 1918, a serious fire occurred in No. 26 Casualty Clearing Station at Rousbrouge, in Belgium. At the time some of the patients were undergoing serious operations in the abdominal and general operating theatres, the walls of which were composed of wood. The first intimation of danger in the theatres was the extinction of the electric light, accompanied by volumes of smoke, and almost immediately the wooden walls burst into flames. The two sisters and the staff nurse assisted in carrying the unconscious patients to safety, and returned to the burning wards to assist in carrying out other patients. During this time ether bottles and nitrous oxide cylinders were continually exploding, filling the air with fumes and flying fragments of steel.

### THE LATEST "HOWLERS."
