CHIROPRACTIC SCIENCE

Nature's Way to Health

IT IS QUITE NATURAL to be skeptical of new methods, but people soon change their opinions when they see what is accomplished through this great system of spinal adjustment. Acute cases respond within twenty-four hours or less, fevers in a few minutes after adjustment is given by the Palmer graduate chiropractor. This science is given to mankind for his progress, and will suffer only for a time through the malicious condemnation of those who are ignorant of its true principles and logic. If you have been given up by so-called specialists, consult the chiropractor, who can tell you the cause of your trouble.
