What Am I in Business for?

WILL any merchant stop long enough to ask himself that question? We don't intend to add any grey hairs to your head by preaching your bad habits, so every man, woman and child in the Dominion can know them, we are just simply going to quietly tell you to **watch your business** a little closer.

Pound and ounce scales are a dead sure loss for anybody who uses them.

Our "Computing" "Money Weight" scales weigh all goods in their money value, thus avoiding errors in calculation and weight by making clerks and merchants careful. It shall never again be "Oh! about so much," it must always be "Just so much and no more" on "Money Weight" scales.
