

Q. & R. CLOTHES

Your Own Eyes

are a better source of belief than our words, so while we tell you about our Fall display of

Q. & R. CLOTHES

we should be for far better pleased to show you the handsome models we are now presenting for the coming season. The striking individuality—particularly of the Young Men's Styles—bears witness to the good taste and cleverness of the designers and the faithful workmanship of the best tailors that Canada provides.

Come in and let us point out the merits of these superior clothes.
