The construction of the new school on the railway addition to the city will secure to the citizens resident in that secure to the citizens resident in that district more fire protection than they have had in the past. A new hydrant will be placed at the corner of Thompson avenue and Monita street, and from

The War Eagle Consolidated Mining & Development company has entered a civil action against the Rossland Miners' Union, the Carpenters' & Joiners' Union and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on grounds practically the growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on grounds practically the growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on grounds practically the growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union to recover the sum of \$30,000 damages, on growth and the Blacksmiths' & Helpers' Union the Blacksmi on grounds practically the same as were set forth in the writ issued by the Cen-

tre Star company.

Joe Vogel, a well known citizen who holds valuable mining property and real estate about the city, left yesterday for Nelson in company with Provincial Constable Forrester, of Robson. TO NELSON-Vogel has been acting for some time in a manner that gives reasonable grounds to doubt his sanity, although it was believed that his stay at Medical Lake, Wash., had restored his mental equilibrium.

RAILROAD WORK-

strength, a waste weir has en constructed across the dam and the pipe line has been protected from washouts by a solid foundation and plank covering. The dam is now in good shape for the winter.

FROM DAWSON CITY-

Rossland entertained a distinguished visitor last night in the person of Dr. Henry A. Miers, professor of Mineralogy at Oxford University. The Doctor is not a stranger to Rossland, having been here several years ago in connection with the British Association meet-ing. He was the guest of W. F. Fer-rier, manager of the Gooderhamrier, manager of Blackstock syndicate. Dr. Miers has just returned from a trip to the Yukon. He is accompanied by Professor Coleman, of Toronto University, and Major Strickland of the Northwest Mounted Police. The party goes east today.

THE MOUNT ROBERTS FLAG-

THANKSGIVNG DAY-An Ottawa special despatch announces that October 31st has been appointed Thanksgiving Day.

APPOINTED FOREMAN-F. E. French, one of the contractors who made the phenomenal record in sinking the shaft on the War Eagle, has accepted the position of foreman on one of the shifts in the Le Roi mine under Robert Angus as superintendent.

EMPLOYMENT AGENT-

W. S. Rugh, well and favorably known to the citizens of Rossland, has accepted the position of employment agent for the Le Roi, Le Roi No. 2, Rossland Great Western Mines, Ltd., and the Kootenay Mining company. His office will be on the corner of Spokane street and Third avenue.

HOME AGAIN-

of the Le Roi No. 2 amd now superintendent of the Le Roi mine, has returned and Robert to the city after a trip to the east.

While in Toronto Mr. Angus was mar-

AMERICAN RESIDENTS OF ROSS LAND EXPRESS THEIR GRATITUDE.

PLEASANT CEREMONY THAT TOOK PLACE LAST EVENING.

Rossland went far to bring the British and Centre Star companies, and enand American citizens resident in deavored to show that Mr. Kirby's pies-Rossland closer together was further demonstrated last night. A party of American residents, realizing that His Worship Mayor Lalonde had much to sideration. do with the originating and perfecting Robert Angus, formerly superintendent of the plans for the memorial service, determined to present his Worship with an evidence of their appreciation, The gift took the shape of a handsome silk hat of the latest mode.

A little gathering had been arranged, at which Mayor Lalonde was to have been the guest of honor. A passing in-disposition prevented His Worship from ing present, and the party adjourned to the Mayor's apartments at the Hotel Allan, where the presentation was made in due order. Mr. C. Jenkins of the Centre Star Mining company acted as spokesman, and addressed Mayor Lalonde as follows:

Gentlemen: Addressing myself to you, and my remarks more particularly to His Worship Mayor Lalonde. I have to say that the honor and the pleasure of the many American residents of your city and of expressing for them their appreciation of the courtesy extended y you, to them and to the whole people of our country in the public demonstration in respect to the memory of the late President McKinley, held under the auspices of the civic authorities of

which you are the official head. While we as residents of your city those whom we are proud to call our canadian cousins; while we have lived the minister of mines, are practically by the minister of mines, are practically identical. Permit me, in the absence of under and partaken of the benefit of the protection of the laws and customs of your great Dominion; while we have made ourselves one with you in heart if not in franchise, and have always felt the liberty of an honored guest in the house of brotherly love; still it was left to you, sir, in your capacity as chief magistrate of this fair city of Rossland to impress us with the sense of the honest, sincere and earnest feeling of regard which exists between the citizens of Canada and those of our own

glorious republic. It has been truly said that "one touch of nature makes the whole world kin."
The sad, untimely death of our beloved president, struck down in the prime of manhood and while reaping the greatest honors of a life truly great, is mourned by every true American citizen. In this terrible affliction we have felt to our herats depth the love expressed in the tears and sympathy brought to our house of mourning by the people of the world. To us more particularly, absent from the land and institutions we love so well, the grati-fication is extreme when we realize to its fullest extent the honor and the courteous esteem evinced in the public

cause, but to your efforts and to your individual popularity that this honor-

The work will be continued from here to Northport until all the road is relaid with the heavier material. At Northport 28 cars of heavy rails have been delivered and 100 men are at work unloading the cars.

AT THE DAM—

A series of improvements have been completed at the city dam on Stoney creek that will substantially improve the conditions affecting the water supply.

MINE SIGNALS.

The Colonist Corrected in Regard to Mr. Kirby's Letter.

The following letter appears in the Colonist of recent date: Sir: On August 25th you published That the exercises in connection with the McKinley memorial service in E. B. Kirby, manager of the War Eagle sideration.

Mr. Kirby was absent from British Co

lumbia when your comments were made, and as he has not yet returned I think it only fair to him to so inform you, lest his silence on the subject should be mis-

At the same time let me point out to you certain facts which ought to have weight with you in removing the impresweight with you in removing the impression that Mr. Kirby was guilty of any misrepresentation regarding that important matter.

In preparing his letter published by you on the 22nd ult., Mr. Kirby requested me to assist him in looking up all the correspondence on the subject. remembered the letter which he had writremembered the letter which he had writ-ten nearly a year before, and which now appears to have been written to Mr. John Kirkup, the government agent here. But he was under the belief that the letter had been addressed to the prov-ingal mineralogist on possibly to minister of mines, and construently I failed to find it for him. He did not, however, omit to refer to it, but gave an outline of what it contained. This, then, was the reason why he failed to include his latter to Mr. Kirkup in his letter to you.

You apparently have convinced your self that the signal system recommended by Mr. Kirby, and the code adopted identical. Permit me, on the absence of Mr. Kirby, to point out that this is not so, but on the contrary, Mr. Kirby was fully justified in protesting vehemently large crowd is after them. against the new code. A single instance will suffice, and I will take the first subject matter dealt

with in the code, viz., hoisting.

(a) Mr. Kirby's system: I bell, hoist; 1 bell, stop (if in motion); 2 bells, lower men; 3 bells, hoisti men; 4 bells, blasting Engineer must answer by raising bucket a few feet and letting it back slowly, then 1 bell, hoist men away from

(b) The minister of mines system: bell, stop immediately. if in motion; 1 bell, hoist, (see Rule C).
Rule C.—"The hoisting signal (1 bell)

means 'to surface' and the lower signal (2 bells) means 'to bottom' or level from which hoisting is then regularly done, unless these signals are preceded by a station signal, signifying that cage is to be stopped at station designated."

The two bells, lower, (see Rule C.)

Three bells, caution—men on (see Rule

This is a caution signal—not a

to move, and means, when the next signal to move is given, "proceed slowly and with extra care," in accordance with

school will, if this occurs, be somewhat of a record breaker in the building of a record breaker in the building line in Rossland.

MARKED IMPROVEMENT—
