Guns Are Silent on Fields of France and Flanders Today -Last Victory of the World War Achieved by the Canadians

ENTIRE BATTLE F

By Courier Leased Wire.

With the British Army in Belgium, Monday, 11.-By the Associated Press .- Peace descended like a mantle over the battle front at 11 o'clock this morning. The last big gun crashed its challenge and a great overpowering quiet replaced turmoil. death and destruction.

Almost coincident with the signing of the armistice by the desperate enemy, the City of Mons capitulated before relentless British pressure, Canadian troops under General Horne having captured the place. On this hallowed ground the troops are now resting on their arms, happy in the thought of the fitness of their final triumph. They had driven the enemy out by the same gateway through which Field Marshal von Buelow and Field Marshal von Kluck hurled their great armies against the valiant little force of "contemptibles" in 1914.

With the American Forces in France, Nov. 11.-By the Associated Press .- Orders announcing that the armistice between the Allied Powers and Germany had been signed and giving directions as to the future conduct of allied soldiers along the line were sent every corps this morning. They were transmitted to the units in the front ranks. The orders follow:

"1. You are informed that hostilities will cease along the whole front at 11.00 o'clock a.m. November 11, 1918, Paris time.

"2. No allied troops will pass the line reached by them at that hour in date until further orders.

Socialists Will Not Permit Upper Classes to be Represented in New Gove rnment-Independents Likely to be Pa rty in Power

By Courier Leased Wire. COPENHAGEN, Nov. 12.—Germany's new provisional government will be all red, that is to say the Bourgeoise parties will not be represented in it. This will not be because of their unwillingness to participate, but because the Sociaists, after a conference with the representatives of the former majority party in the reichstag definitely refused to

permit the bourgeoise to enter the new cabinet. The plan is to give the Independent Socialists the vice chancellorship and two other secretarial posts. There are indications, however, that the Independents will demand more, but their demands have not taken definite form. It is significant that the majority of the multitude of proclamations issued daily are addressed to "Comrades" rather than to citizens, and that references are no longer made to "The People's Republic," but to "The Socialist Republic." HAVE REACHED AGREEMENT

AMSTERDAM, Nov. 12.—German Socialists and Independent Socialists have reached an agreement to form a joint cabinet from both parties, according to a Wolff Bur-eau announcement. This cabinet, it is said, consists of Philipp Schiedemann, vice president of the Reichstag; Herr Lansburg, member of the Reichstag. and Herr Gaetiert, Socialist, and Hugo Hasse, Richard Barth, editor of The Vorwaets and Wilhelm Dittmann, member of the Reichstag.

AMSTERDAM, Nov. 12. - An agreement has been reached between the Socialist and Independent Socialist parties in Germany and the new regime seems to have secured ample support from the press. In addition to the Wolff Bureau, the Socialists are now represented by three news-papers: The Vorwaerts, the Lokal Anziger, formerly the

Gazette, which has taken the new title of the International. The revolution is continually spreading. Koenigsberg,

Frankfort-on-Main and Strassburg are now controlled by the Soviets. It is officially repoted that there are no disorders.
