ADDRESS

Presented to Lord Minto at Hortonville by the Municipality of Kings Co.

TO THE RIGHT HONORABLE SIR GILBERT JOHN ELLIOTT, EARL OF MINTO AND VISCOUNT MELGUND IN THE PEERAGE OF THE UNITED KINGDOM BARON MINTO IN THE PEERAGE OF GREAT BRITAIN BARONET OF NOVA SCOTIA KNIGHT GRAND CROSS OF THE MOST DISTINGUISHED ORDER OF ST. MICHAEL AND ST. GEORGE AND GOVERNOR GENERAL OF CANADA.

May It Please Your Excellency: WE, the Warden and Councilors of the Municipality of the County of Kings in the Province of Nova Scotia in the name and on behalf of the citizens extend to your Excellency a hearty welcome to our beautiful and prosperous County which is celebrated alike by reason of its early historic associations and traditions and its recent prominent agricultural and horticultural success and development.

WE beg to assure your Excellency of our unswerving loyalty and devotion to the Throne and Sovereign of our Great Empire and of our steadfast adherence to those tried and proved constitutional principles and free institutions which are the pride and glory of all British subjects. It is our sincere hope and prayer that his Majesty the King and his Gracious Consort may be long preserved to reign over us and to know in the footsteps and emulate the virtues of our late noble and lamented Queen Victoria.

WE were especially pleased that your Excellency in view of your previous experience and connection with Canada, was commissioned to represent the Crown and preside over the Councils of our great Dominion. We cherish the confident hope that Canada is entering upon a career of vast commercial and industrial expansion that will develop and utilize her boundless and comparatively virgin resources; and we are well assured of your Excellency's hearty and judicious encouragement and co-operation in all that tends to the advancement and prosperity of our County and our people.

WE hope your Excellency will be pleased with satisfaction the evidences of patriotism and loyalty through all Canada upon the outbreak of hostilities between Africa and that your Excellency was gratified from time to time to learn of the part taken by our contingents sent to co-operate with regular British Troops in that Country. Our County contributed its quota of young men who rallied to the support of the mother land, one of whom a young man of promise, shed his life blood on the field in defence of the principles of equity, justice and freedom of which the flag of our Empire is the symbol.

WE are exceedingly pleased that her Excellency Lady Minto who takes so warm and intelligent an interest in all that pertains to the well being and progress of our people has found it convenient to accompany you on this occasion. We trust that your Excellencies will see in the cordiality of our welcome the various attractions of our scenery and in the past of our County which is identified in some measure with history tradition and romance, some reasons why you may favor us with another and longer visit on some future occasion.

W. E. Roscoe, Warden,
On behalf of the Municipal Council of Kings County,
Kentville July 27th, 1901.
