BRISCO'S OPERA HOUSE BLOCK

ATTEND CHURCH

Court Pride of Dover, No. 8765, held their annual church parade yesterday to St. Andrew's church, corner of the 6th concession and Baldoon street. Rev. Mr. Neill, the pastor, gave an excellent sermon, which was much enjoyed by the brethren. Courts Hope of Ontario, Unity, and the Juvenile branch, No. 9, of this city, sent delegations, as also did Court Royal of Mitchell's Bay. The Mitchell's Bay band headed the procession and gave excellent music. Geo. Greiger marshalled the parade. The sermon was based on the verse, 1st Cor. 16, 13, and the subject was: "Be a Man." It was listened to with great attention. The church is certainly a credit to the people of the district and was crowded to the doors, many having to take standing room. About thirteen attended from the Chatham lodges and the drive was a most enjoyable one. The rigs arrived home about ten o'clock last evening.

A Case of Mistaken Identity.
Residents of a certain part of Spruce street have often seen two charming old ladies, twin sisters who look so much alike that no one ever bothers to distinguish between them, coming out from one of the houses. The fact that they both dress almost alike makes it still harder to tell them apart. Some one who knows the old ladies very well relates that Ann, while making a hurried departure for one of the big department stores last week, put on Susan's bonnet by mistake. In walking through the store she came suddenly in front of a full length mirror and stepped back in astonishment, saying, "Why, Sue, I didn't know you were coming down town this morning!"

Eating When Tired.
Every one should know that to eat when tired is to place upon the digestive organs a burden which they are wholly unable to bear. When the body is in a state of fatigue the digestive organs are unable to perform their natural functions. The glands of the stomach will not form gastric juice, the saliva is deficient in quantity and the whole digestive apparatus is incapable of doing efficient work. When exhausted one should rest before eating. If a faint or sinking sensation is experienced relief may be obtained by drinking a glass of hot water or diluted fruit juice of some kind.

An Educated Echo.
An ordinary echo is a curious thing; but, according to the statements of a Frenchman at a watering place in the Pyrenees, one echo on the Franco-Spanish frontier is so far from ordinary that it must have started in America. "As soon as you have spoken," said the Frenchman, who had secured an audience of wide-eyed tourists, "you hear distinctly the voice leap from rock to rock, from precipice to precipice, and as soon as it has passed the frontier it assumes the Spanish tongue. But, yes; I have heard it often!"
