well, of Gaspereau, has lost two fine a sleigh-drive.

ther column it will be seen that Mr F. House.

Closed for Repairs.—The Cotton factory is closed down this week for the purpose of repairing the three boilers, which are being fitted with new domes. The work is being done by the Messis Churchill, of Hantsport, Mr Cochran, foreman, having charge of the work. Operatrons will likely be resumed on Monday.—Hants Journal.

The ECLIPSE.—The eclipse on Saturday last was observed by a large number of persons in this vicinity. During the motor was entirely easily part of the evening the moon was entirely covered by clouds which did not break away till it was entirely in the shadow. The latter phases were clearly visible. After all a finer opportunity of Our local writers have not shown themenjoyed.

A LETTER FROM QUEBEC.

(Translated from the French.)

GENTLEMEN .- I have deferred writing the letter to testifyto the benefits derived from the use of your Simson's LINIMENT. It has done wonders among all the people who have used it about here.

I can certify, that in every case where I have used it upon myself, I have been y well satisfied. wery wen satisfied.

Mr N, Mooney of St Sylvester, had a bad leg which was said to be incurable. I told him to use Simson's Liviment, and it has effected a complete cure in a very short time. His neighbor Mr John Devlin having received a serious cut on his leg, Mr Mooney took him the Liniment, and having used it, found himself completely

I have been assured of the cures of these people, and the remedy having become mown, it has created quite a demand, people coming as far as 35 miles to procure t for themselvos.

Mr Wm. Bennett of St Ferdinand has had it some time for himself and he has ince bought it for his friends, who suffer from Rheumatism, and they have all been well satisfied.

I am yours truly, DAMASE PAGEOT, St. Sylvester, Quebec, 27th Dec., 1887.
