Canning Items.

The community was greatly shocked on Thursday of last week to hear of the death of Lorne E. Lyons, at his home here, after only two days serious illness, at the early age of thirty-one years. The funeral service was held on Sunday, from St. Joseph's church, Kentville, and was very largely attended. The deceased was one of Canning's popular young business men and had been conducting a meat and grocery store for two years. He is survived by his parents, Mr. and Mrs. James Lyons, three sisters and one brother, who have much sympathy in their great loss.

Rev. Arthur Hocking, pastor of the Methodist church, expanded the pulpit on Sunday, the ninth instant, with Rev. J. M. Fisher, of Burlington, Hants county.

Miss Marion Parker has given up her position in Halifax and returned to her home in Canning on Saturday.

The pulpit of the United Baptist church has been filled very acceptably the last two Sundays by Mr. Nowlin, a Theological student at Acadia University.

Mr. Charles Miller, of Baxter's Harbor, west to Halifax on Monday where he underwent a serious operation, and is now in a very critical condition. He was accompanied by his brother, Dr. John Miller, of this town.

Miss Juanita Grant, of Port Greville, is visiting at the home of her cousin, Mr. R. P. Grant.

The ladies of the Canning Methodist Auxiliary of the Woman's Missionary Society held a clam supper on Saturday evening, which was well patronized. The proceeds amounted to over thirty dollars.

Give Baby a Chance. Don't dose the baby with soothing mixtures and narcotics—they were never known to help any baby. You might just as well dose the grown up man or woman with opium or cocaine—the result would be the same—a permanent injury to mind and body. When baby is ill give him a medicine that will cure—a medicine free from injurious drugs. Such a medicine is Baby's Own Tablets. They are baby's greatest friend. They never do harm—always good. Concentrating them—Mrs. Richard Mulloy, Lavigan, Sask., writes: "Baby's Own Tablets should be in every home where there are small children. We gave them to our baby when he was teething and they kept him good natured and healthy." The Tablets are sold by medicine dealers or by mail at 50c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Acadia's New President.

The services in connection with the public inauguration of Rev. George Barton Cutten, Ph. D., as president of Acadia University took place yesterday and were of a very successful and inspiring nature.

The weather was very favorable and a large gathering assembled at 10.30 o'clock in College Hall to participate in the exercises.

The students of the College, Seminary and Academy occupied seats in the body of the hall, and to the strains of the professional skillfully rendered by Prof. Ringwald the long procession of Governors, Senate and Faculty marched in and took seats on the platform.

Prayer was offered by Rev. Mr. Webber, after which Dr. Manning, chairman of the Board of Governors, gave a well-wordsed address tracing briefly the history of Acadia, after which he introduced Prof. George Trumbull Ladd, LL. D., of Yale University, who gave an able and most exhaustive address on 'The University and the State.'

An exquisitely rendered vocal solo by Miss Davis, of the Seminary Faculty, Dr. Cutten was duly inaugurated by the chairman.

The inaugural address of Dr. Cutten was on 'Acadia as a denominational college' and was most interesting. It was listened to with close attention by the large audience, and the service then closed by singing the national anthem.

At 1.30 o'clock in the afternoon a banquet was held at the Royal Hotel. About 60 guests sat down to the well arranged table, and did ample justice to the good things provided by Host Goudey. The catering was first-class in every respect and was highly commended on. Mr. I. B. Oakes, Secretary of the Board of Governors, presided and called upon all to rise and drink to the toast of the king, which was followed by the singing of the national anthem. In a neat address the chairman then called upon the following who made suitable addresses: Canon Powell, of Kings College, Dr. Forrest, of Dalhousie; Dr. Allison, of Mt. Allison; Judge Longley, Dr. Mackay, and Dr. Ladd. Dr. Cutten made a few remarks and the banquet ended by singing 'Auld Lang Syne.'

Wedding at St. Paul, Minn. A very pleasant event took place at the residence of Rev. (Dr.) Swearinger, St. Paul, on Wednesday afternoon, October 13th, at 5 o'clock, in which Myrtle E. Woodman, eldest daughter of Mr. and Mrs. F. W. Woodman, Wolfville, was united in marriage with Lawson A. Soley, M. D., Neche, North Dakota.

The bride was married in a traveling suit of golden tan broadcloth with trimmings to match and was attended by her cousin, Miss Gertrude E. Gilmore, of Boston, Mass., who wore a blue and white polka-dot messager gown made tunic style, with a large picture hat, each wearing a corsage of English violets presented by the groom.

The gits to the bride were costly and many. That of the groom being a necklace, solid gold set in real pearls and pendant of baroque pearls, also a set of mink furs.

After spending some days travelling in St. Paul, Milwaukee, Minnesota and Chicago, Dr. and Mrs. Soley will reside in Neche, North Dakota, where the doctor has a growing practice.

THE ACADIAN joins a host of other friends in Wolfville and vicinity in wishing a long and happy married life to Dr. and Mrs. Soley.

T. L. HARVEY One of the Last Things to Forget.

During a recent visit in the beautiful and interesting town of Wolfville, I was enjoying a Sunday evening walk down through the eastern part of Main street, when my steps were arrested by a small group of worshippers engaged in an open air service.

I had been thinking, I fear, only of my vacation, with its freedom from care and work, and of the beauty of the scenery around me.

I learned that by forgetting that I had a part in the Sunday services at Wolfville, I removed my hat in respect for the worshippers, and in reverence for 'Our Father, who art in heaven.' The thought, 'Let us forget, let us forget,' came to my mind and remained with me. Carriages and pedestrians were passing to and fro, but the earnest voice of the preacher, and the clear, sweet singing of the simple hymns rose above the noise of the street.

What a surprise and pleasure it is to meet in real life a person, a scene, or an action that we supposed was only possible to read about! I saw and heard a Rhena Dwight in that little company by the roadside. My faith was strengthened, and then and there, I gave myself anew to God.

I learned that by forgetting God in spirit and in truth, 'at home or abroad, is the true rest. As I resumed my walk, I was singing in my soul one of the songs I had heard:

We have an anchor that keeps the soul steadfast and sure while the billows roll; Fasten'd to the Rock which cannot move, Grounded deep and firm in the saviour's love.' T. L. HARVEY.

Nerves at High Tension. Slight extra strain means collapse—Restoration obtained by using DR. A.W. CHASE'S NERVE FOOD.

The successful man and woman are often of the high-strung nervous type—keen and active—but with too little reserve force.

A little extra worry and anxiety and snap goes the nervous system. Strains and months are often required before energy and vigor are regained.

Best help, so does fresh air and exercise, but the blood must also be soiled rich and red by use of Dr. A. W. Chase's Nerve Food.

Mr. Wm. Dranton, Victoria St., Stratford, Ont., writes:—My nervous system seemed all astray. I could not sleep, had no appetite, my digestion was poor and I had jerking of the limbs. Dr. Chase's Nerve Food helped me and I continued until I had taken twenty-four boxes. This treatment has made a radical change in my condition, building up the system and strengthening the nerves. Dr. Chase's Nerve Food, 50 cents a box, all dealers or Edman & Sons, Boston & Co., Toronto.
