SCROFULA

Ayer's Sarsaparilla has an equal as a remedy for Scrofulous Hu-mors. It is pleasant mors, edges streng oo take, gives streng and vigor to the bod and produces a mol permanent, lasting, r sult than any medicil I ever used.— Haines, No. Lindaic, c I have used Ayer Sarsaparilla, in my far arsaparha, and ly, for Scrofula, and know, if it is taken faith fuily, it will thoroughly eradicate mindelisense,—

call that chivalry long ago. I call it folly.
You should be reasonable."

"Oh, don't lose your temper about it," says Molly.

Now, to have a person implore you at any time "not to lose your temper," is any time "not to lose your temper," is timply abominable; but to be so implored when you have lost it is about the most aggravanting thing that can occur to any

one. So Luttrell must it.

"In ever lose my temper about trillen,"
"Well, I don't know what you call in, but when one pute on a frow, and drags done the corners of one's mouth, and looks as if one was going to devour some one, and makes onescell generally dasse greeable, I know what I call in," says Molly, viciously.

"Would you like to return home?" asks Mr. Luttrell, with prompts solicitude. "You are tired, I think."

"You do like to stay out here for the next two hours, if—"" the case of the received of the next two hours, if—"" "Yes?"

"If you think you could find amuse ment for yourself—elsewhere?"

"I'll try," says Tedeastle, quietly thin much appearance of hasto towards the landing place.

By the time they reached it Miss Massereene is holding a long and surfacely, though all a very handsome allowance remains. As he of arbitrasing her again, also feel it in cumbent on her to speak jard a word of a fairly staying reagainst in the landing place.

"No" his eyedrows are raised, and he wereas an expression half nonchalant," Now Grantham is nine miles distant. Men when you going home?" saks ake, with cold politicess.

"No" his eyedrows are raised, and he wereas an expression half nonchalant," Now Grantham is nine miles distant, the must be very angry if hen decided on going to Grantham, I will take his her manner a degree more flield, less the mistake the meaning of her words.

"No" his eyedrows are raised, and he wereas an expression half nonchalant," "I must leave you for a while," he mistake the meaning of her words.

"And on so hot a day?"

"If hand on so hot a day?"

"The longer the better." "Urgarcious ly."

"And on so hot a day?"

"The reas were things than heart, Getting himself into his coat in such a violent fashion as would make his tailor and men which the meaning of her words.

"You will be glob to get away from —"Possitize the meaning of her words."

"The longer the better." "Urgarcious ly."

"I must leave you for

f that garment.
"You will be glad to get away from

their attentions to John and Leitiia. Indeed, they seem bent on bestowing all one tell me at what stage of suffering it their conversational outbreaks on these two worthies, to their unmittigated astonishment. As a rule, Mr. and Mrs. Masseree: c have been accustomed to occupy the background; to night they are brought to the front with a vehemence that takes away their breath, and is, to say the least of it, embarrassing.

Leitits—dear soul—who, though the laws and down to the very end of it, where a broad stream runs babbling in delphia journalism, has become the edical power of the same of th

Lettits—dear soul—who, though the most charming of women, could lardly be thought to endanger the Thames, understands nothing; John, on the contrary, bedged in by larches and low-lying evergences os as to be completely concerned fully, and takes a low but exquisite delight in compelling the antagonists to be attentive to each other. For instance:

"Luttrell, my dear fellow, what is the with be wanning?" How remarks with the warming? How remarks with the warming? How remarks with the with the warming? How remarks with a very large and the with the warming? How remarks with the warming in one corner. It is a veritable love retreat, bedged in by larches and low-lying ever green, so as to be completely concerned. Government that the work warming with the warming of the work of the very end of it, and the work in the work of Galignani's Messenger, which "Jas. Gordon Bennett has bought. Sort of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

Tow view, and a favorite haunt of Molly's cure for Voltarity, but the work of the work of the work of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the work of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the work of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the work of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the work of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the very later of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the very later of Galignani's Messenger, which "Jas. Gordon Bennett has bought."

United the very end of it, and the very end of it, and the very end of it.

in the orchard? I never teneld such a show of futit in my life. The branches in the very heart of the water they lie, will hardly bear the weight when it comes to perfection. It is very worthy of admiration. Molly will show it to you to-morrow; won't you Molly?"

Luttrell, hastly: "I will go around there myself after breakfast and have a look at it."

I will go around there myself after breakfast and have a look at it."

I will go around there myself after breakfast and have a look at it."

I mere reened such a security in the water has pigneds. Deep down in the your look are they lie, and they lie, and they are they lie, and they lie, and they are they lie, and they are they lie, and they lie, and they are they lie, and they lie are they lie. They lie are they lie, and they lie are they lie, and they lie are the lie are they lie are the

her now. I have a presentiment that fortune is going to favor you in the end, Molly. He must inherit a considerable property."

"Rich and handsome," said Luttrell,

"Rich and handsome," said Luttrell, with exemplary composure and a grow ing conviction that he will soon hate with an undying hatred his whilom friend John Massercene. "He must be a favorite of the gods; let us hope he will not die young."

"He can't," says Lettia, comfortably: he must be forty if he is a day."

when you have lost it is account to any aggravating thing that can occur to any one. So Luttrell finds it.

"I never lose my temper about trifles," coming last, pauses a moment on the threshold, while Luttrell holds the door

"But now you have composed it to ing of it until to morrow ?" expostulates Luttrell, trying to look hearty, as he ex presses a hypocritical desire for his so-

regg glad," With much unnecessary emphasis.

"Go, then," cries the, with sudden passion, throwing down the oar she still bolds with a decided bang, "and I hope you will never come back. There!"

And—will you believe it?—even after this there is no deluge.

Bo she goes to the right and he goes to the left, and when too late to repent their haste. But pride is ever at hand to tread down tenderness, and obstinacy is always at the heels of pride, and out of this "trivial cause" see what a "pretty quarre!" has been sprueg.

"The long and weary day" at length has "passed away." The dinner has come has "passed away." The dinner has come has "passed away." The dinner has come has "passed away." The don't do it now I won't do it at all. There is more claret on the sideboard—or branch, if it is more claret on the sideboard—or branch, is always at the heels of pride, and out of this "trivial cause" see what a "pretty quarre!" has been sprueg.

"Thanks—I want nothing more," replies Luttrell, whose spirits are at zero. At Massareene leaves him, he saunters to work the leave him, he saunters to work the leave him, he saunters to work the leave him, he saunters the sale and pretty the leave has "pretty quarre!" has been sprueg.

"The long and weary day" at length has "passed away." The dinner has come has "peased away." The dinner has come has "possessful end, leaving both Lutters him, he saunters the leaves him, he saunt

men, could lardly where a broad stream runs babbling in one corner. It is a veritable love-retreat,

Experiments of the matter with you this evening? How remiss you are! Why don't you break some walnuts for Molly? I would; but I don't wish Letitia to teel alighted."

"No, thank you, Join"—with a touch of asperity from Molly—"I don't care for walnuta."

"Oh, Molly Bawn! what a taradidde! Only last night I quite shuddered at the amount of shells you left upon your plate. 'How can that wretched child play such pranks with her digestion!' thought I, and indeed felt thankfullithad not occurred to you toswallow the shells also."

"Is hall I break you some, Miss Massereene, being without occurred to you toswallow the shells also."

"Is hall I break you some, Miss Massereene, being without occurred to you toswallow the shells also."

"Is hall I break you some, Miss Massereene, being without occurred to you toswallow the shells also."

"Is hall I break you some, Miss Massereene, being without occurred to you toswallow the shells also."

"Is hall I break you some, Miss Massereene, being without occurred to you toswallow the shells also."

"Is conscious of being at a diad-vantage, and wishes she had earlier in life to the with a lawfall face alone are visible. Now, Luttrell has the best of it, because he is the happy possessor of the cigar: this gives him some thing to do, and he plate. 'How can that wretched child' lay on the with a lawfall desire to show how lumority of consideration each deems the object of shilloh's Chatrri Remedy. Price objects. Now, Luttrell has the best of it, because he is the happy possessor of the cigar: the issue the had a possessor of the cigar: the same that the head of the neuralgia when he has it.

"HACKETAGE," alsating and fragrant young men who commutated to a passion for tobseco.

Meanwhile, the noisy brook flows on merily, chattering as it goes, and reflecting the winking stars, with their more selfate brethren the planets. Deep down the very heart of the water they lie, but will hardly hear the weight went in the output of the winking stars, with their more of the cigar that the sound

day with the Laytons."

With a motion of sweet sound and radiance."

I all the way above, a miniature cataract adds its tiny roar to the many "breath ings of the night;" at Molly's feet lie great bunches of forget-me-nots.

Stooping, abe gathers a handful to stopping, abe gathers a handful to man in her hands idle; she has turned so that her full face is to her companion: beaides, I hear their brother Maxwell (as few more strawberries, if you please, the is still puffing away in a somewhat little effort.
