**CONSUMPTION**

**CAN BE CURED**

**IS A FACT ATTESTED BY THE HIGHEST MEDICAL**

**AUTHORITIES IN THE WORLD.**

A careful observation of the laws of health, and the systematic and persistent use of Scott's

Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda

will accomplish this result. This preparation has the virtues of these two most valuable

specifics in a form perfectly palatable, and as agreeable to the most delicate stomach, and

will make the unpalatable a pleasant. SCOTT'S EMULSION is being used with better results

and endorsed and prescribed by more physicians for consumption and the diseases leading

to it, such as Chronic Coughs, Bronchitis, Scrophula, Anemia, General Debility, and the

Wasting Disorders of Children, than any other remedy known to medical science. The rapidity

with which patients improve on this food medicine diet is truly marvellous.

**See What Physicians and the People Say About It.**

**Messrs. SCOTT & BOWNE:** 66 West Thirty-ninth Street, New York, September, 1876.

**GENTS:**—I have frequently prescribed SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES during

the last year, and regard it as a valuable preparation in scrophulous and consumptive cases, palatable and

efficacious. **C. C. LOCKWOOD, M. D.**

**Messrs. SCOTT & BOWNE:**—Gentlemen,—Within the last year I have used in my own family, and in my

private practice prescribed very extensively SCOTT'S EMULSION OF COD LIVER OIL WITH HYPOPHOSPHITES and

found it a most valuable preparation, especially in cases of children. It is agreeable to the most delicate

stomach, which renders it a valuable agent as a nutritive remedy in consumptive and scrophulous cases. **Oct. 12, 1879.**

Yours respectfully, **A. H. SEXTON, M. D., Baltimore.**

**Messrs. SCOTT & BOWNE:**—Gentlemen,—Within the last two months I have fairly tried SCOTT'S EMULSION

OF COD LIVER OIL WITH HYPOPHOSPHITES, and I can only declare that it is the finest preparation of the kind

that has ever been brought to my notice. In an action of the lungs, and in other wasting diseases, we can consider

it our most reliable agent, in a perfectly agreeable and elegant form. **J. SIMONAUD, M. D., New Orleans, La.**

December 10th, 1879. Yours truly, **H. F. SLOCUM, Lowell, Mass.**

**Messrs. SCOTT & BOWNE:**—Gentlemen,—In September, 1877, my health began to fail and my physician

pronounced it hopeless; but, on the 1st of October, 1877, I purchased a bottle of your Emulsion and

used it as directed. I began to feel better and in a few days I was able to get up and walk. I

continued to use it until I was perfectly well. I frequently meet

some friends on the street who ask, "What cured you?" and I answer, "SCOTT'S EMULSION OF COD LIVER OIL

WITH HYPOPHOSPHITES." I have taken no other medicine since commencing with your Emulsion and

shall continue its use until I am perfectly well. I frequently meet

some friends on the street who ask, "What cured you?" and I answer, "SCOTT'S EMULSION OF COD LIVER OIL

WITH HYPOPHOSPHITES." I have taken no other medicine since commencing with your Emulsion and

shall continue its use until I am perfectly well. I frequently meet
