THE DAILY MISERY OF ILL-HEALTH

Three Years of Suffering Quickly Relieved by "FRUIT-A-TIVES"

MR. GASPARD DUBORD

129 Avenue Pius IX, Montreal.

"For three years, I was a terrible sufferer from Dyspepsia and my general health was very bad. I consulted a physician and took his medicine and faithfully carried out his instructions; but I did not improve and finally the doctor told me I could not be cured."

At this time, a friend advised me to try "Fruit-a-tives" and I did so. After taking two boxes of "Fruit-a-tives", I was greatly relieved; and gradually this marvelous fruit medicine made me completely well.

My digestion and general health are splendid—all of which I owe to "Fruit-a-tives".

DRILLING THROUGH WALL—PLUMBER TAPS WINE KEG

PITTSBURG—Every ray, isn't a dull one for the plumber.

Thomas O'Brien, "pipe mechanic" was making a water connection in the cellar of a residence here. After he had bored a hole through a partition he shoved a pipe through, when to his utter amazement a reddish liquid began to flow. It did not take him long to discover that he had tapped a wine barrel on the other side of the partition.

This was as much as I could stand, he told the magistrate after he had sobered up.

Growth Shows Desire To Extend Army Work

Commissioner W. J. Richards, chief of the Salvation Army in Eastern Canada, has completed his fifth year in that capacity. During that time the Army has seen one of its greatest periods of usefulness. This period takes in the "war years." The great war had been under way since August and new problems presented themselves to the organization when he assumed command. These problems required a large measure of initiative to overcome. The task of rendering the highest and most efficient service was shouldered and Canada paid tribute to the success which attended those efforts by over subscribing the amount asked for during the Red Shield Drive.

Commissioner Richards is a forceful man. He is a man of few words. He believes in doing things. During the five years, more than 11,000 persons are recorded as having sought salvation. Notwithstanding the losses due to war, there are today nearly 2,000 more names on the Membership Roll than there were in this territory five years ago.

In July, 1915, Canada East was separated from Canada West, the dividing line being Port Arthur. Even in view of this, there are now only forty one fewer officers in active service in the Eastern territory alone than there were in the combined territories five years ago.

In the Field Report two very striking indications of financial growth are given. In 1914, the Self-Denial total for the combined territories was \$43,726. In 1919, for Canada East alone, it was \$75,591. Harvest Festival returns have been doubled.

Shows Solid Growth.

In all the various departments the record shows that as often as humanly possible every opportunity has been seized for the advancement of every branch of the organization. Inasmuch as every act of service means the welfare of somebody, the same rate of growth has been reposition which the Salvation Army occupies today indicates tremendously increased service to the community.

This service has been rendered under the leadership of Commissioner W. J. Richards. His five years in Canada have been five big years for the Salvation Army in Canada, and give great promise for the future.

WINDSOR BUSINESS MAN SHOT

WINDSOR, April 9—Ernest Bergeron, Manager for the Ripley-Peck Hardware Company, this city, was fired upon and shot through the head and dangerously wounded late last night while driving along the new cent road in Ojibway by Provincial officers who were looking for "whiskey, traffickers." With his wife, Bergeron was driving his auto home after an afternoon spent in making collections. He had some \$400 in his pockets, and when a man leaped from the side of the road and ordered him to halt Bergeron believed he was to be the victim of a hold-up. Instead of stopping he "stepped on 'er" and the automobile dashed past the officers at forty miles an hour.

Thinking they had discovered some of the men who have been getting rich by selling Canadian whisky to Detroiters, the police party, made up of Provincial Officers Hannah and Smith, and a "mountie" in plain clothes, opened fire with revolvers on Bergeron's car. None of the latter's tires were hit, however, and pursued and pursued on for a mile or more before the chase came to an abrupt end when Bergeron was struck in the head by a bullet and was forced to release his grasp on the wheel.

His wife stopped the car just as officers came up. When the mistake was discovered everything possible was done by the officers who took the wounded man to the nearest physician for aid. It was found that the bullet had smashed a small bone above the left ear, but Bergeron's condition is still critical.
