NEW FURNITURE

FURNITURE BUYING IS DIFFERENT NOW TO WHAT IT USED TO BE. Nowadays people do not choose articles which simply fill up space. The popular taste is becoming educated more and more; and buyers have definite ideas regarding style in furniture and harmony in furnishing. We welcome such buyers at our magnificent Furniture Store. The more exacting visitors are, the more striking to them is the excellent character of our stock in every department. They can see in the beautiful sets and pieces, furniture designed on the most correct and artistic lines—furniture that bears the mark of good workmanship in every detail. Of course there are grades of style, as buyers differ in the prices they wish to pay. But EVERY buyer who inspects our stock is pleased with the selection displayed and with the value given.
