

AT THE NICKEL.

Centenary of St John's Methodism.

Since my letter of Tuesday last in your paper asking for the loan of portraits of eight pioneer Methodist preachers named therein, I have had a photograph sent, and also (what nearly as good) the names and addresses of other persons who could lend some of the wished-for portraits. Those I have already written. Now, perhaps, there are others who, not able to lend the photos themselves, yet if they would only think over could send me the names of other persons in the country, or abroad, from whom I might get the other photos desired. Having so nearly reached the goal I should like to gather all in. I will repeat the names of the ministers:-

John Cubitt (1816); Ninian Barr (1816); John Bell (1818); William Gibson (1820); Thomas Wickson (1821); Thomas Tompkins (1831); George Ellidge (1834); John Smithies (1834).

Will any of your readers oblige by sending so as possible?

Yours, with thanks,
J. W. NICHOLS,
Secretary.

Exhibition Projected.

The Mechanics' Society held its regular meeting last night. After general routine business was gone through, considerable discussion took place in regard to the repairs to the hall and the heavy cost incurred thereby. It was decided to hold a mechanical exhibition and sale of work during the first week of November next to help defray the expenses incurred in renewing the roof. It was also agreed upon at the meeting that every member is to do some article relating to his own line, which article can be sold at the exhibition for the benefit of the Society. It is to be hoped that the efforts of the members of this old institution will be attended with much success.

Patriotic Movement.

At the public meeting of the Regatta Committee to be held the latter part of this month for the purpose of deciding about the abandonment of the regatta for this year, there will also be considered the feasibility of holding a Garden Party in the vicinity of the Mill Lake on the first Wednesday in August, in aid of the Patriotic fund. The idea is considered good and no doubt will meet with the approval of the Regatta Committee. It may be pointed out that the first Wednesday in August is set down as a general holiday and there is no doubt already booked for that day.

Amusements.

GORGEOUS PANTOMIME AT ROSSLEY'S.

Last night Rossley's was crowded to the doors, and its safe to say that the pantomime will be town talk for the positively beautiful. Mr. Ballard Brown, the villain of the play, sang an Italian song in great style; Miss M. Leake made a delightful Boy Blue, and was loudly applauded, as she deserved to be; Mr. Deakin, as the Old Dame, was also very good; Bonnie Densley, as the Peep, was charming in her quaint costume, also in her magnificent wedding costume. The transformation scene was one of the most beautiful sights ever seen and must have cost money, time and wonderful patience. The dances of Spring, Summer, Autumn and Winter were delightful. Jack Rossley, as the Simon, who bought a watch and all the works fell out, had the crowd of house in roars of laughter. There was a special matinee on Wednesday under the distinguished patronage of the Excellency the Governor, Lady Davidson and the Misses Davidson.

AT THE CRESCENT.

A large number of ladies and gentlemen, young and old, attended the Crescent Picture Palace last night and were charmed with the big show and little money. The headliner "The Passing of Diana," is a great 2-reel special feature by the Vitaphone Co. Beside two splendid dramas and two comedies. Mrs. Hannaford sings one of Irving Berlin's fine ballads and the music furnished by the talented pianist, Mrs. Nurse, is appropriate and pleasing. The same show will be repeated to-day and the admission for the summer months is five cents. To-morrow another big 2-reeler "The Right of Way" will be the headliner.

BRITISH THEATRE.

A splendid entertainment was projected at the above house last night. The consensus of opinion being that it was undoubtedly a "bill" of exceptional merit. The two reel photo-play "Gwendolyn" adapted from one of the late George Eliot's famous works, be-

The Passing of Judge Knight.

With profound regret we record to-day the passing of Judge Knight, whose death occurred at his late residence, Military Road, shortly before 6 o'clock last evening. Though the deceased had been ailing for some considerable time past, and it has been apparent that death was near, the end came rather suddenly. Only four weeks ago he returned from Montreal whither he had gone to consult specialists, only to find that his malady was beyond medical skill. With many courage and Christian fortitude, he waited for the inevitable summons, shielding his little ones from the knowledge that their much cherished father was soon to embark on his last long voyage. Arthur W. Knight, K.C., was the youngest son of the late Capt. William Knight, and was born in this city in 1862. After a successful career at the Methodist College he entered the legal firm of McNelly & McNelly. In due course he became Barrister and started practice. Later he entered into partnership with the Hon. S. D. Blandford, and subsequently with the Hon. Donald Morrison. He was appointed Clerk of the District Court and acting Judge in December, 1903. During the absence and illness of the late Judge Conroy, he filled the position with marked ability. Being well versed in the law, sound in judgment and at the same time humane and considerate, he won the admiration of all; and when Judge Conroy passed away there was but one opinion as to his successor. His commission as Judge of the District Court, was issued only recently, an appointment he was never privileged to fulfil. Judge Knight leaves many relatives and friends to mourn, the immediate family being a widow, formerly Miss Dicks, and three children, two girls and a boy; two sisters, Mrs. Fannie Pratt and Miss Sophie Knight, and three brothers, Mr. Allan Knight, of Regina, Sask., Mr. Arch H. Knight, Contractor of this city, and Mr. Edwin Knight, of Smallwood's. To these and the other relatives and friends of the deceased the Telegram extends sincere sympathy. Judge Knight was in his 53rd year. He was a member of St. John's and White-way Lodges, A.F. & A.M. Having joined the former Lodge over 30 years ago. The funeral will take place from his late residence No. 5, Military Road, to-morrow afternoon.

Was Worth \$43,000.

The deceased Robert J. Power, broker for many years of H. M. Customs, died late last night. His estate is said to be worth forty-three thousand dollars (\$43,000), which is to be divided between two surviving sisters, one here in the city and the other in the United States. No successor to the late Mr. Power has been appointed yet. We hear there are 70 applicants in for the job.

S. S. Bloodhound Here.

Brings Home the Key of 1915 Seal-fishery.

Though not a unique occurrence, it is certainly very unusual for any sealing steamer to return home on June 15th, as was the case this morning, when the s.s. Bloodhound, Capt. Alpheus Barbour, quietly crept into port shortly before eight o'clock, accompanied by the s.s. Fogata, with 4,845 seal pelts stowed below. As previously noted, the Bloodhound got a severe squeeze in the ice on the northern sealing grounds during the latter part of April and had her tail shaft carried away, being rendered helpless, until taken in tow by the s.s. Michael O'Leary, V.C. of the silent drama. Miss Keeping and Arthur Priestman Cameron complete a splendid programme for which the British Theatre is becoming more noted very day.

PORTIA SAILS.-The S.S. Portia sails for the Westward to-morrow.

Another disorderly conduct case was postponed till Saturday next. A 38 year old carpenter for drunk and disorderly conduct and violently resisting arrest was ordered to give \$50 bonds.

BREACH OF PROMISE.-In the breach of promise case between Miss Margaret Snow and Capt. Enoch Falk, which was up for hearing before the Supreme Court yesterday, and which was satisfactorily settled between the parties as already referred to in the Telegram, the defendant agreed to pay the plaintiff the sum of \$550 and interest. P. A. Higgins represents the plaintiff, and W. J. Higgins, the defendant.
