Ketchell Knocked Out Lewis

New York, May 27 -- Stanley Ketchell New York, May 2:—Stanley Ketchell of Michigan, the middleweight champion, knocked out Willie Lewis of this city in the second round of a scheduled ten round bout at the National Sporting club tonight. Lewis, who was the Parisian idol some months ago, is a welterweight, and was fully ten pounds lighter than Ketchell, who weighed this afternoon at 158 pounds, according to agreement.

nterest Attaches to Changes in Rules. Chicago, May 26.—Coach Fielding H. Yost of University of Michigan foot-ball team was a Chicago visitor last week and expressed the opinion that the game, as it will be played under latest rules, will be the most "versa-tile" in its history. He thinks the of-fense will have a better opportunity of gaining ground than ever before, having the privilege of passing the ball

Continuing today we offer thrifty housekeepers the opportunity of the season to stock up the china closet with dinnerware. We have just opened up another crate of that popular cream white dinnerware with a relief scroll work on all edges and handles that is well known in Calgary homes for everyday use. But don't judge the quality by the prices we're quoting. It is a very reliable and substantial ware. The reason of the remarkable prices is that this crate should have come to hand mouths ago. Now it drops in just before stocktaking, and instructions are to clear every solitary piece before inventory sheets come from the office. At the following prices a continual clatter will make short work of it. See the display

in the window today and stock up for future use. # Choicest Quality in Groceries

THE uniformly high standard of the groceries sold at this store is so well known to the public that no other recommendation is necessary. In making selection of wearing apparel or other goods, etc., fads and fancies may have

a place, but in the purchase of food stuffs there is a fairly general disposition among consumers to obtain the best procurable, such as are always to be had at the Company's stores. Our large output of groceries is the best assurance that fresh goods are daily arriving. The greatest care is exercised in making selections of stock from the producers and manufacturers of highest standing in Canada, Great Britain and the United States.

If you have not yet tried our groceries you have a cordial invitation to visit our store and satisfy yourself that our goods are all that our thousands of customers claim for them-

If you are unable to visit the store personally, a letter addressed to the manager will receive prompt attention. We are always pleased to answer enquiries, and to fill carefully all orders received by mail.

## Few Women Can Afford to Miss This Belt Sale

At thirty-five cents, these handsome black elastic belts are disappearing like magic. Our buyer bought the entire line from an eastern manufacturer at a, price concession too good to let pass. The purchase involved exactly 1584 belts. They are the fashionable black silk elastic belts with dull metal buckles of handsome design, some trimmed with jet. Not a belt in the entire assemblage that would sell for less than 65c to \$1.00. On sale 

### Clearance in Remnants

Heavy selling the first of the season naturally create hundreds of short ends, remnants of the most popular selling materials. And now stocktaking turns up dozens and dozens more. These must be cleared out in quick order, regardless of cost or profit, before inventory, and to make sure of the desired result we have marked them low-very low. These remnants include dress goods of a wide variety of different qualities, textures and shades, together with a quantity of the season's best lines of summer wash materials, varying in lengths of from one to five yards. On sale as long as quantities last at HALF PRICE AND

## Last Call of the Wallpaper Sale

A sale of this character puts a different price aspect on the cost of brightening up homes for the summer season. Remember that we are clearing out every roll of wallpaper in stock, which includes papers of the handso nest designs for either parlor, diningroom, kitchen, or, in fact, any room in the house. And clearing them out at less than you could buy them if you went to the factors for them. Don't you think it is worth looking into? The same generous reductions still prevail, Visit the housefurnishing section today and get **"空"移为"路"** 也是使于 16.16

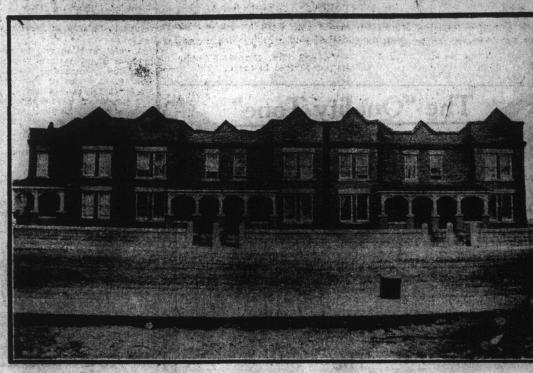

and of using interference to boot. Un- for the offense. College students and public must like it, and the public will doubtedly this is true and it only refolks in general are interested in foot-mains to be seen whether or not the ball and they like long runs and long superior to the offense as it has been ozone Co., Kingston, Canada.

The Cubs have been winning lately and accordingly there has been a marked change in the tone of the comments on them, but they would be sure of their share of "knocking" if they began to lose again. Moreover, there jury in Boston the other day there is a lose again. Moreover, there is a constant of the comments of the comments of the stack. It it is not, fains like long hitting. Of course, foothall is not being "reformed" to suit the limit will be up to them next winter to makers to put "chains" on it instead without the public's help. Therefore than to good sport can exist in the offense as it has been whether or not the ball and they like long runs and long superior to the offense as it has been sins of any kind, just as baseball of recent years. This fall will tell whether or not the ball and they like long runs and long superior to the offense as it has been a marked of recent years. This fall will tell whether or not the ball and they like long runs and long superior to the offense as it has been a marked of recent years. This fall will tell whether or not the ball and they like long runs and long superior to the offense as it has been a marked of recent years. This fall will tell whether or not the offense will be overcome by these new gains of any kind, just as baseball of recent years. This fall will tell whether or not the offense will be overcome by these new gains of any kind, just as baseball of recent years. This fall will tell whether or not the offense will be overcome by these new gains of any kind, just as baseball of recent years.

The Cubs have been winning lately and accordingly there has been a marked defense will be overcome by these new gains of any kind, just as baseball of recent years.

The Cubs have been winning lately and accordingly there has been a marked of the public's and they like long runs and long superior to the offense will be overcome by these new jains of any kind, just as baseball of recent years. of trying to make things any easier if football is to remain a live game the now governing the attack.

The above is the front elevation of a five house terrace, situated on four lots on corner of 18th Ave. and 1st Street East, which the undersigned offers for sale the next three days from date of this first insertion, if not sold in meantime

Get my price and terms. They may surprise. A brief description of terrace is given below:

External walls are composed of solid brick and stone; partition walls between each apartment which protrudes four feet above roof, are composed of solid stone and brick, making a fireproof wall; full sized basement under each apartment, partitioned off by solid brick wall, into four separate rooms, composed of furnace room, which contains a Hecla furnace; a laundry room, fitted with stationary laundry tubs and gas heater used for laundry purposes; a drying room and larder.

Floors in basement are concrete; ceilings are 8 feet in height; all rooms are well On first floor there is a large diningroom and parlor; there is a fireplace in both of these rooms, which is fitted up with set grates; there is also a hall, den, kitchen and

On second floor there are four bedrooms, bath room and hall; there is a clothe's closet off each bed room and a linen closet off hall; two of the bed rooms are of a large si ze; there is a balcony at the rear of each apartment

This building is equipped with electricity, gas and plumbing, and is thoroughly modern throughout. Apply
