I think it my duty to let you know
how my health is improving. When I com-
menced treatment with you I was very ill
I had severe catarrh of my head and throat.
My lungs were pronounced to be far gone
in consumption. I had a very bad cough,
raised a good deal of blood and matter, had
night sweats, was greatly reduced in flesh,
appetite very poor and could scarcely walk
across the floor. My family doctor consid-
ered my case entirely hopeless. As a last
resort I was led to try your treatment for
Catarrh and Consumption. My improve-

after nearly six months treatment, under

You Carry
A whole medicine chest in your pocket,
with one box of Ayer's Pills. As they
operate directly on the stomach and
bowels, they indirectly affect every
other organ of the body. When the
stomach is out of order, the head is
affected, digestion fails, the blood be-
comes impoverished, and you fall an
easy victim to any prevalent disease.
Miss M. E. Boyle, of Wilkesbarre, Pa.,
puts the whole truth in a nutshell, when
she says: "I use no other medicine
than Ayer's Pills. They are all that
any one needs, and just splendid to save
money in doctors' bills."
Here is an instance of
A Physician
who lost his medicine chest, but, having
at hand a bottle of Ayer's Pills, found
himself fully equipped.—J. Arrison,
M. D., of San Jose, Cal., writes:
"Some three years ago, by the merest
accident, I was forced, to speak
to prescribe Ayer's Cathartic Pills for
several sick men among a party of engi-
neers in the Sierra Nevada mountains,
my medicine chest having been lost in
crossing a mountain torrent. I was
surprised and delighted at the action of
the Pills, so much so, indeed, that I was
led to a further trial of them, as well as
of your Cherry Pectoral and Sarsaparilla.
I have nothing but praise to offer for
their favor."
John W. Brown, M. D., of Oceana,
Va., writes: "I prescribe Ayer's Pills
in my practice, and find them excellent.
I urge their general use in families."
T. E. Hastings, M. D., of Baltimore,
Md., writes: "That Ayer's Pills do control
and cure the complaints for which they
are designed, is as conclusively
proven to me as anything possibly can be.
They are the best cathartic and aperient
within the reach of the profession."

Those who endure the torturing pangs of

HERBERT DISCHARGED.—Jas. Her-
bert, of Brighton, was arraigned at the
police court Tuesday morning on the
charge of stealing an express receipt
from Thomas McGrew, of Syracuse,
whose headless body was found lying
on Kettle Creek bridge a couple of
weeks ago. The evidence of Chief
Fenwick and P. C. Stinsons was taken
and Herbert was discharged by the
magistrate, with a caution to tell the
truth thereafter. Mr. T. W. Crothers
appeared for Herbert. Herbert's aunt,
Mrs. Gorman, of Belleville, was pres-
ent.

WARNER'S - SAFE - CURE!

ST. CATHARINES, ONT., Jan. 24, 1887.—
About six years ago I was a great sufferer
from kidney disease, and was in misery all
the while. I hardly had strength enough
to walk straight and was ashamed to go on
the street. The pains across my back were
almost unbearable, and I was unable to
find relief, even temporarily. I began the
use of "Warner's Safe Cure," and inside
of one week I found relief, and after taking
eight bottles, I was completely cured.

Toronto, (18 Division Street,) Sept. 17,
1887.—Three years ago last August my
daughter was taken ill with Bright's dis-
ease of the kidneys. The best medical
skill of the city was tasked to the utmost,
but to no purpose. She was racked with
convulsions for 48 hours. Our doctor did
his best and went away saying the case
was hopeless. After she came out of the
convulsions she was very weak and all her
hair fell out. The doctor had left at about
a month when I concluded to try "War-
ner's Safe Cure," and after having taken six
bottles along with several bottles of "War-
ner's Safe Pills," I saw a decided change
for the better in her condition. After tak-
ing twenty-five bottles there was a complete
cure. My daughter has now a splendid
head, hair and weighs more than she
ever did before.

THE GREATEST BLOOD PURIFIER.
CHATHAM, ONT., March 6, 1888.—In 1884
I was completely run down. I suffered
more severe pains in my back and kidneys,
so severe at times that I would be almost
prostrated. A loss of ambition, a great de-
sire to urinate, without the ability of so
doing, coming from me as it were in drops.
The urine was of a peculiar color and con-
tained considerable foreign matter. I be-
came satisfied that my kidneys were in a
congested state. Finally I concluded to
try "Warner's Safe Cure" and in forty-
eight hours after I had taken the remedy I
voided urine that was black as ink, con-
taining quantities of mucus, pus and grav-
els. I continued, and it was not many
hours before my urine was of a natural
color, although it contained consid-
erable sediment. The pains in my kidneys
subsided as I continued the use of the rem-
edy, and it was a short time before I was
completely relieved. My urine was normal
and I can truthfully say that I was cured.

206 McNab Street North, Hamilton, Can.,
Nov. 2, 1886.—I had been suffering for over
twenty years from a pain in the back and
one side of the head, and indigestion. I
could eat scarcely anything, and everything
I ate disagreed with me. I was attended
by physicians who examined me and stated
that I had enlargement of the liver, and
that it was impossible to cure me. They
also stated that I was suffering from heart
disease, inflammation of the bladder, kid-
ney disease, bronchitis and catarrh, and
that it was impossible for me to live. They
attended me for three weeks without mak-
ing any improvement in my condition. I
commenced taking "Warner's Safe Cure,"
and "Warner's Safe Pills," acting strictly
up to directions as to diet, and took thirty-
six bottles, and have had the best of health
ever since. My regular weight used to be
180 pounds. When I commenced "War-
ner's Safe Cure" I only weighed 140 pounds.
I now weigh 210 pounds.

GALT, ONT., Jan. 27, 1887.—For about five
years previous to two years ago last Octo-
ber I was troubled with kidney and liver
trouble, and finally I was confined to my
bed and suffered the most excruciating
pains. I did not know I was dead or alive. My
physicians said I had enlargement of the
liver, though they gave me only temporary
relief. Hearing of the wonderful cure of
"Warner's Safe Cure" I began its use, and
after I had taken two bottles I noticed a
change for the better. The pains disap-
peared, and I was able to get up and did
feel the benefit of the remedy. I have con-
tinued taking "Warner's Safe Cure" and
no other medicine, and I consider the
remedy a great boon, and if I ever feel out
of sorts "Warner's Safe Cure" fixes me
all right. I weigh twenty pounds heavier
now than ever before.

HE PLAYED THE LOTTERY.—Do you
see that man across the street? Mark him
well, my son. Three years ago he drew a
prize of \$150 in a lottery. He was a happy,
industrious man before he won that prize.
It ruined him. He has sunk every dollar
he could borrow, beg or earn since that
same lottery. Look at him now.

Note the hungry look in his eyes. He has
lost his only object in life. He wants
to draw the capital prize. He is a lot-
tery maniac. If you ever feel any
symptoms of his disease coming over
you, my boy, get down on your knees
and pray for deliverance, and then hunt
this man up and take another good look
at him.—Chicago Tribune.
