The Economy Store

Just how to make 1906 sales surpass that of 1905 has been the uppermost thought with us for some time. The past year's sales have shown such a decided increase over former year's sales that we came to the conclusion that an extra effort must be put forth to keep up this ever-increasing trade. We figure it this way: In order to get the increase we must give

MID-WINTER WEDDINGS.

Allan-Tait.

The home of Mr. and Mrs. Wm. Tait, Tait's Corners, was the scene of a very pretty but quiet wedding on Wednesday, Jan. 3rd, when their daughter Elizabeth J. was united in marriage to Mr. Crawford Allan, also of South Ekfrid. The ceremony was performed by the Rev. A. Henderson, of London, in the presence of a few of the nearest friends and relatives. Mr. and Mrs. Allan will be at home to their friends after Jan. 20th.

Columbus-Hagerty.

The home of Mr. and Mrs. D. Hagerty, Moss, was the scene of a pretty and pleasing event on New Year's day, when their youngest daughter, Lillian O., became the bride of Mr. Roy Columbus, a prominent young merchant of Oil Springs, Ont. Sharp at 1 p.m. the young couple entered the parlor to the strains of Mendelssohn's wedding march, played by Mrs. Andrew Gardiner, sister of the bride, and stood under an arch of evergreens and roses, with a similar background, where the bride was given away by her father. The ceremony was performed by Rev. Wm. Lowe, a particular friend of the family, in the presence of thirty-five invited relatives. After the usual congratulations the merry party sat down to tables laden with good things. The bride was becomingly attired in a combination suit of royal blue and white tulle and carried a beautiful bouquet of white roses. Her going away gown was a pretty olive green chiffon broadcloth, and hat to match. The bridesmaid, Miss Martha Columbus, also looked charming in a cream voile dress, with chiffon trimming, and carried a bouquet of pink carnations. Little Miss Lillian King, cousin and namesake of the bride, acted as flower girl and looked sweetly pretty in cream silk and carried a basket of roses containing the ring. The groom was ably supported by Mr. Bert Hagerty. The groom's gift to the bride was a handsome gold watch and chain. The young couple were the recipients of many costly and useful presents, among them being a grand piano from the bride's father, showing the high esteem in which they are held. They left at 3.30 p.m. for their home in Oil Springs, amid showers of roses and best wishes from all their many friends.

Williams-Hollingshead.

A very pretty house wedding took place at "Sunnyside," the home of Mr. Henry Hollingshead, Dutton, on Dec. 26, when Jessie, his fourth daughter, became the bride of Walter Herbert Williams, M.A., of Berlin. The bride entered the drawing room on the arm of her father to the strains of Loggins' wedding march played by Miss Nina White. The bride, who was unattended, looked charming in a gown of biscuit shade silk crepe-de-chine over white tulle with flounces and bertha of exquisite lace and carried a bouquet of white roses. The Rev. Mr. Malcolm performed the beautiful ring ceremony of the Presbyterian church. After receiving congratulations the entire wedding party sat down to a dainty breakfast. The bride's going-away gown was of green chiffon broadcloth with velvet trimmings and hat to match. The bride's maid, Miss Mary Campbell, also looked charming in a gown of green chiffon broadcloth with velvet trimmings and hat to match. The bride's gift to the bride was a beautiful necklace with pearl and turquoise pendants. In the departure from Dutton of the popular bride, the village loses one who always endeavored to take her part in both church and social activities, and her familiar face will be missed by old and young. The bridal couple left by No. 36 M. C. R. express for Toronto and Picton. On their return Mr. and Mrs. Williams will reside in Berlin. Guests were present from Britton, Mich., Ayr, Thomas, Glencoe, and Appin. Telegrams and congratulations were received from Winnipeg, Glencoe, Berlin, Picton and Galt.—Dutton Advance.

McAlpine-McEachern.

The residence of Mr. Duncan McEachern, South Ekfrid, was the scene of a very pleasant event, Wednesday, December 27th. The occasion was the marriage of his eldest daughter, Katharine, to Mr. Archibald McAlpine, also of South Ekfrid. The spacious drawing-room and parlors were beautiful in their Christmas colors. Strands of evergreen were looped from the chandeliers and hung in graceful festoons about the walls. At 4 p.m. the wedding party entered the hall, where the bride, in a gown of white silk, with embroidered chiffon trimmings, and a dainty white tulle veil and carried a bouquet of white roses. The bridesmaid, Miss Mary McEachern, sister of the bride, wore a becoming gown of pink silk and carried a bouquet of pink roses. Little Miss Ina Broadfoot, of Gladstone, Manitoba, was very sweet as flower girl. The groom was supported by his cousin, Mr. John McKellar, of Glencoe. The ceremony was performed by Rev. D. I. Ellison, assisted by Rev. Dr. Stalker, of Calumet, Michigan, uncle of the bride. After congratulations the guests, 120 in number, repaired to the commodious dining room, where a sumptuous dinner was served. The bride's gift to the bride was a beautiful necklace with pearl and turquoise pendants. In the departure from Dutton of the popular bride, the village loses one who always endeavored to take her part in both church and social activities, and her familiar face will be missed by old and young. The bridal couple left by No. 36 M. C. R. express for Toronto and Picton. On their return Mr. and Mrs. Williams will reside in Berlin. Guests were present from Britton, Mich., Ayr, Thomas, Glencoe, and Appin. Telegrams and congratulations were received from Winnipeg, Glencoe, Berlin, Picton and Galt.—Dutton Advance.

Leading Canadian Physicians Endorse The Canadian Discovery

Fruit-a-tives or Fruit Liver Tablets.

DR. ALEXANDER FALKNER, Williamstown, Ont., a physician who has enjoyed a large practice for the past thirty years:—"I have much pleasure in certifying to the value of 'Fruit-a-tives' or 'Fruit Liver Tablets' as a medicine for chronic constipation and biliousness, dyspepsia, etc., etc. I have prescribed this medicine for the past six months and can strongly recommend 'Fruit-a-tives' in all cases of constipation, indigestion and flatulence, headaches due to weakened digestion, etc.

DR. A. FRANKFORD ROGERS, Ottawa, a physician who has enjoyed one of the largest practices in that city, states:—"I have no hesitation in recommending 'Fruit-a-tives' or 'Fruit Liver Tablets' as the fact of these tablets being made from a laxative material extracted from ripe fruit appeals, and has appealed to my judgement, and I have used these tablets extensively in my practice and always with most gratifying results. The proprietors of this medicine do not hesitate to furnish the formula of the tablets to physicians, and hence any physician can use these tablets and recommend them without loss of self respect. The formula of 'Fruit-a-tives' is certainly a magnificent one, and in my experience no medicine ever used by me has given such excellent results in constipation and stomach and liver trouble as 'Fruit-a-tives' has. These tablets act beneficially on the kidneys and skin is beyond doubt and in many cases where the skin was sluggish and inactive and the complexion had become sallow, have given the most pleasing results."

DR. D. J. COSTELLO, member of the Internal staff of the General Hospital, Ottawa, and who has extensive experience, states:—"I have used 'Fruit-a-tives' or 'Fruit Liver Tablets' with most beneficial results in obstinate constipation and biliousness, and found their action mild and non-irritating, and yet more curative than any medicine ever used previously. I strongly recommend 'Fruit-a-tives' to those suffering from these complaints."

ST. ALBAN'S CHURCH.

Christmas services were held in this church on Sunday at 3 p.m. There was a large congregation present, and the chanting of the church was very prettily and tastefully decorated with plants, cut flowers and evergreen. The services commenced with Evening Prayer, at which the special psalms and lessons for Christmas Day were read and hymns for the Festival of the Nativity were sung. The text was taken from the Epistle for the Sunday, "Because ye are sons, God has sent forth the spirit of His Son into your hearts, crying Abba, Father." The holy communion was celebrated after the evening service. The rector spoke feelingly of the generous response to the appeal for money towards the renovation of the church, amounting to \$36.50. A considerable portion of the sum was collected through the indefatigable efforts of one of the ladies of the congregation.

TO THOSE OF SEDENTARY OCCUPATION.—Men who follow sedentary occupations, which deprive them of fresh air and exercise, are more prone to disorders of the liver and kidneys than those who lead active, outdoor lives. The former find in Farme's Vegetable Pills a restorative without question the most efficacious on the market. They are easily procurable, easily taken, act expeditiously, and they are surprisingly cheap considering their excellence.
