Sault Ste. Marie, Nov. 30.—The Weitzell lock will close for the season next Wednesday, it is reported. The lock has astounded. "My love, what is all this?" asked my mother.
"Ah, heaven, what is wrong? Is Mademoiselle Natalie hurt?" cried mademoiselle, shrilly, gesticulating from over the balustrades.

Wednesday, it is reported. The lock has been in operation ten days later this year than last, it having closed Nov. 20. in 1908. It opened this year May 8. New gates will be installed at the upper end before the opening of navigation next year, and this will necessitate considerable work either after the close this fall or early next spring.

With ordinary soap you wash—then spend ninetenths of your time rubbing and polishing -that is if you are extra particular and can take the time.

When you wash your windows, for instance, little streaks of "dirt" seem so hard to get off-it's really the soap—not the dirt—that's the trouble. With Taylor's Borax Soap you wash and rinse, dry once and your glassware sparkles like crystal.

The soap removes the grease—the borax removes the soap—and there you are!

It's fine for woolens, too. It positively will not shrink them. It brings them out of the wash as soft and fresh as new. Thousands of Canadian women are using Taylor's Borax Soap today. Try a cake at once and know the reasons why.
