Two Brilliant Sermons Delivered Rev. H. H. Bingham.

Rev. H. H. Bingham, B. A., of Paris It appeared that seven or eight months ago, Allen had formed an understanding with a junk dealer, named Jacob Friedman, who had been carrying on business for four years, without a license. As a result of the understanding, Allen began taking material out of the firm's stock in their factory at 89-95 King street, and selling it to Friedman. As he was in charge of the stock rooms, and was also shipter for the firm's respectively. The Bingland, B. A., of Paris, who preached in Adelaide Street Baptist Church Sunday, gave two excellent discusses. His morning theme, "The Sovereignty of Christ," was based on the words, "Pilate, therefore, said unto him, 'Art though a king then" Jesus answered, 'Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth."
