SARNIA, Feb. 8.— Sarnia, intermediate champions of O. H. A. group 10, had no trouble beating Ingersoll champions of group 3, here tonight in the second of their home-ana-nome series, by the score of 10 to 4. The visitors were outclassed at all stages, being far too light an aggregation to stand the pace and weight of the locals. The game was witnessed by a large crowd. In the first period the play was close, and Sarnia only led at the end of the period by the score of 3 to 2. The locals scored four and the visitors two goals in the second period, and in the final session Sarnia scored three goals, while Ingersoll called to tally. The visitors displayed trick stick handling, but their poor shooting, coupled with Douglas' sensational goalkeeping, lost them several chances to Warren and Cavanah played a good defensive game, but their habitual mistake of clearing by rushing in front of the goal was greatly in evidence.

The fastest man on the ice was "Dutchy" Swartzman, the college rover, whose magnificent exhibition aided materially in the fine game played by the collegeans. Wallace in centre played beautiful hockey and he and Swartzman played the puck through the entire Berlin team, time after time, only to have their shots stopped by Merner, who put up a great exhibition. Shields and Ball on the wings put up a good game, but their checks were just a liftle too heavy for them.

Two of Woodstocks goals, on the other hand, were secured by brilliant combination on the part of the forward line, twice Wallace, Shields and Swartzman playing the puck right through the entire visiting team, Wallace scoring both times.
