Disease That Works Overtime

Till Stopped-Dodd's Dyspepsia Tab lets the One Way to Heip It.

Some diseases have peculiar season which to ao their deadly work, but there is one that works all the time, and overtime at that. It is almost needless to say that disease is Indigestion or Dyspepsia.

Once started Dyspepsia never quits till it is stopped, and there is only one way to help it, and that is by using Dodd's Dyspepsia Tablets.

There is abundant proof that Dodd's

ment above quoted people will get the impression that all London's sewers are on wrong levels.

It is not easy to deal with a man who finds such meaning in those words.

Mr. Brazier freely admits over the 'phone that 'not all city sewers are inchinant that some of them are on wong levels.' but he repeats that he 'riskes exception' to his own interpretation which no words used by me can possibly be made to bear.

It is but fair to the encineer to savitati in his interview as publ'shed there is nothing to support the headling and introduction. Mr. Brazier's charge agrainst me is simply that in a certain conve sation (a.rrsely on other matters, by the way) I did not particularlize the way). I did not particularlize has been supported by the way of the many shows, notably at Inchesters. It is not respectively of the sewers, and the engineer will remember saving that the trouble was not with the sewer, but with the drain connections herefol.

Yet it is notorious that this sewer will not serve the needs of the business of strict. In Smallwan & Ingalian and the engineer will remember saving that the trouble was not with the sewer, but with the drain connections herefol.

Yet it is notorious that this sewer will not serve the needs of the business of strict. In Smallwan & Ingalian and the engineer will remember saving that the trouble was not with the sewer, but with the drain connections herefol.

Yet it is notorious that this sewer will not serve the needs of the business of the controlled, but he was sociation to take over the Association of the most vital forces in the news of the most vital forces in the news of the most vital forces in the news and the controlled to keen the sewer flow from backing into the premises.
