Young Woman Run Over and Killed by Street Car Last Evening

Vancouver, Nov. 1.—Director Gifford of the B. C. Electric railway announced today that it was absolutely ertain his company would immediateformulate plans for the constru tion of a waterpower plant for the city of Victoria. Mr. Gifford said: "After an inspection of the lakes from which we derive our supply I was convinced that it was useless to continu business with that as a source of supply. It was a question of either letting Victorians walk or go without light if we depended on it. On the other hand, Victoria and Saanich people ple ars asking us for more and cheaper power and the handling of the V. & S. line by electricity. Nothing is left for us but to inaugurate an independent plant, using the minimum of supply from the Esquimalt company during the remainder of the contract term. tract term. A report is now being ob-tained on Shawnigan lake power."
