We don't ask you to encourage home industry,—we ask you to see the quality of goods we manufacture and get our quotations. Goods manufactured by us are considered High-Grade in the leading cities of Canada. Foreign woods imported direct from the south.

MAIL ORDERS
We solicit out of Town orders, which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing everything in reason to give prompt despatch.

OUR OFFICE IS CONNECTED WITH THE N. B. TELEPHONE BY TWO SEPARATE LINES INSURING PROMPT ATTENDANCE.

MANY ORANGEMEN AT CHATHAM

Delightful Weather For Demonstration at Miramichi Town.

Chatham, N. B., July 18.—Perfect weather marked the celebration here of the "Glorious Twelfth" by the Orangemen from the counties of Restigouche, Gloucester, Northumberland, York, Kent and Westmorland and the celebration was of a most successful kind.

Upwards of 1,000 men were in the line of march, over 3,000 visitors coming to town to take part in the procession, or watch it, and the streets through which the procession marched was thronged with sight-seers. Five bands were in the line and the gorgeous banners of the lodges with the bright-hued regalia of the members made a sight long to be remembered.

A special train of fourteen cars arrived from Moncton about 12.30 packed to the platforms and one came in from Fredericton at 1 o'clock in a similar crowded state, while local trains and boats kept adding their quota to the crowds at every trip. The lodges assembled on the exhibition grounds and formed up in the following order:
Jas. Dickson, W. M., No. 90; Rev. B. H. Thomas, acting G. M., on white horse; A. L. Babkirk, Past Preceptor; A. T. Ross, Preceptor; R. B. P. 737, Log-gieville and Co-master Devereaux as outriders.

J. W. Clark, Prov. D.O.C., Co-master J. H. Cochrane.
Loyal Protestant Band, Moncton.
Westmorland County Lodges and Scarlet Chapters. Co-master R. W. Gregory.
Fredericton Five and Drum Band, 'Prentice Boys.
Fredericton Band.
York County Lodges and Scarlet Chapters.
Newcastle Band.
Newcastle Lodges.

Lodges of Restigouche, Gloucester, Kent and Northumberland counties.
True Blue, No. 90, Chatham.
Chatham Band.

Northumberland Scarlet Chapter.
Royal Black Knights of York, Westmorland and Northumberland.
Carriages, containing past and present grand officers, co-officers, etc. Carriages with members of L. O. B. A. and True Blue associations.
The procession went through the principal streets of the town and returned to the exhibition grounds where addresses were delivered by Rev. Alex. Rettie, of Millerton, Mayor Tweedie, H. G. Wadman, J. H. Cochrane, R. W. Gregory, J. Devereaux, A. D. Thomas, Rev. J. G. A. Belyea and Rev. B. H. Thomas.

A game of baseball in the park diamond between the Chatham and Campbellton teams was witnessed by a large crowd. Campbellton got the start in the first inning and notched three runs but the locals tightened up and held them scoreless until the seventh when they got two more across the plate. Chatham took five runs in the third inning and increased their lead to nine in the seventh and finally eleven in the eighth. The score ended 11 to 6 in Chatham's favor. Shaddick pitched for the visitors and Anthony Veno for the locals.

Rev. Frank Crane in one of his essays advertises for a boy who will listen carefully when he is spoken to, who asks questions when he does not understand, and does not ask questions about things that are none of his business. A boy who would rather put in his spare time in the Y.M.C.A. gymnasium than to gamble for pennies in the back room. A boy who is more eager to learn how to speak good English than to talk slang. Dr. Crane isn't looking for a boy. He has an angel in mind. He needn't come to Chatham for him.

SURPLUS OF \$56,500,000 CUT IN DEBT TWENTY MILLIONS

Ottawa, July 11.—Final figures for the last Canadian fiscal year were announced by the Minister of Finance today.

A heavy increase in capital and consolidated expenditures is offset by expanding revenue and there is a surplus of \$56,500,000 on current account. There is a reduction of twenty millions in the public debt. On consolidated fund the revenue

totalled \$168,600,000 compared with \$136,108,217. The previous year's expenditure was \$112,000,000 as against \$98,161,346.

The total of capital and special expenditures was \$32,309,000 including five millions in railway subsidies. Outlay on the N. T. R. amounted to \$13,500,000. On public works, \$6,000,000 was spent and on railways and canals \$7,250,000.

ST. JOHN VIEW OF CAMPBELLTON

St. John Globe Editorially Comments on Our Progress.

GREATER CAMPBELLTON.
(St. John Globe)

On Friday, July 11th, Campbellton celebrated the anniversary of the disastrous fire which practically wiped the thriving North Shore town out of existence three years ago. Looking about the town today one sees handsome buildings, beautiful homes and spacious streets. The town has not only been restored to its former prosperity, but has gathered fresh vigor from the vicissitudes through which it has passed. With the fire a new era dawned in Campbellton, and the greatest calamity which has ever befallen the town has in some respects proven a blessing. Not only have the people become imbued with an enthusiasm for the town which they labored so hard to restore, but in doing so they have built up a community far in advance of the one which was visited by the flames of the disastrous fire of 1910. Public buildings have been erected, banks and churches have been built and magnificent homes replace the structures that were destroyed. While Campbellton before the fire was a town of wood, with here and there a lonely building of some more substantial material, the order has been reversed. All the larger public buildings, most of the business houses, and a number of the homes have been rebuilt of brick, concrete or stone, and not only has the appearance of the place been materially enhanced, but the possibility of a repetition of the fire which almost cost the town its existence has been obviated. In commerce, Campbellton has been making rapid strides since the fire. Exports since 1910 show a large annual increase and indications are that this year's figures will exceed all others by a substantial margin. Campbellton is one of the few Maritime Province centres with a municipal power and lighting plant, and in addition a fire alarm system has been installed. The town is recognized as the most progressive community on the North Shore and is rapidly taking its place among the important towns of the province.

The pluck, the energy, the enterprise its citizens displayed in the face of ruin and desolation brought a reward that is as gratifying as deserving.

CHATHAM WON ON THE TWELFTH

Good Game of Ball Put up on Chatham Diamond

The Chatham World says:—The grand stand in the Exhibition Park was crowded, and many spectators in teams and autos lined up in the race track, Saturday afternoon, to witness the return game of ball between Chatham and Campbellton. As a large number were present from Campbellton and Newcastle, it can't be said that everyone felt happy when the game ended in a victory of 11-6 for Chatham, how-

UNITED PICNIC A GRAND SUCCESS

Sunday School Teachers, Children and Friends Visit Seashore

Ten crowded cars, carrying approximately one thousand people left Campbellton, Wednesday morning for New Mills to enjoy the annual Sunday School picnic.

The day was an ideal one and all enjoyed the visit to the seashore. Through the kindness of Mr. Ben Windsor the grove and beach were placed at the disposal of the committee.

After lunch a baseball game and a program of foot races and other sports was carried out the winners being awarded cash prizes.

Many of the children enjoyed the excellent bathing.

Altogether a most enjoyable day was spent. The train returned to Campbellton at 7 o'clock.

ever the faces of the Chatham fans beamed with joy.

Both teams displayed a little loose play at times, otherwise the game was good; still had Campbellton given Shaddick the support the Chatham team gave Veno, a much more interesting game would have been the result.

Campbellton went to bat first, with Veno and Watling the battery for Chatham. In this inning Chatham showed some loose play and the visitors run up 3 scores.

Chatham failed to score in the first two innings, but they finally found themselves in the third, when they batted Shaddick hard and went out with 5 scores.

Campbellton were blanked until the eighth, when they added 3 more.

'Curly' Johnston hit a three-bagger in the 6th, and an overthrow resulted in 'Curly' landing safe on (Continued on page 4)

CLASSIFICATION OF LUMBER LANDS

Provincial Treasury Will be Enriched by About \$750,000

The Lieutenant Governor in Council has approved the classification of crown timber lands and the fixing of bonuses to be paid by the licensees under the new Crown Timber Lands Act passed at the last session of the Legislature. A new scale of stumpage rates are still below private ones and the increase will probably net the province about \$750,000 per year. The new classifications and rates will become effective on August 1st. Premier Fleming in an interview in Woodstock stated that he did not believe an immediate increase in the crown lands revenue would be affected, but he was of the opinion that a more careful method of cutting would result. If the annual cut remained constant, the revenue would increase, but the Premier looked for a decrease in the cut which had been above the growth during the past few years.

The following statement shows receipts from sales of applications for timber licenses from the year 1893 to 1912, both inclusive:

Year	Sq. Miles	Amount
1893	5,713 1-2	\$89,830.00
1894	482 1-2	6,122.33
1895	652	13,886.25
1896	289 1-2	5,179.75
1897	497 1-2	17,189.22
1898	418 1-2	8,062.27
1899	1,528	31,121.15
1900	219 1-2	2,050.50
1901	489	34,553.62
1902	211	7,192.13
1903	145	7,703.85
1904	25 1-2	675.75
1905	81 1-4	1,630.00
1906	47	1,550.00
1907	59	2,366.50
1908	67	5,448.00
1909	58 1-2	1,618.50
1910	112 1-2	4,238.75
1911	51 1-2	2,176.00
1912	75 1-2	3,145.00
	11,225	\$246,490.57

Average price per mile for 20 years, \$21.95.

The upset price was increased in 1903 from \$8 to \$20 per mile. (Taking effect in 1904.)

There are 10,057 square miles of crown timber land under license in New Brunswick at the present time and it has been classified under the new Crown Timber Lands Act approximately as follows:

Class A.—6,000 square miles.
Class B.—3,000 square miles.
Class C.—1,000 square miles.
Class D.—The balance.

The bonus for saw mill licenses has been fixed and approved as follows:

Class A.—\$100 per square mile.
Class B.— 75 per square mile.
Class C.— 50 per square mile.
Class D.— 20 per square mile.

These licenses are for a period of (Continued on page 3)

NOTICE TO THE PEOPLE OF CAMPBELLTON AND VICINITY

PLEASE TAKE NOTICE

One of our jealous competitors has taken advantage of our advertising and has hung out bills saying "Here is the Great Annual Sale," and defies any competition.

This may be all right for a man with a clean business record, but is not so in reference to this party. We have never been obliged to effect a compromise with our creditors.

He cannot buy as cheaply as we can, as many of the best houses will not sell to such and therefore he cannot by a long way defy our competition. He may deceive a few by such tactics, but he cannot deceive the wise.

Our business methods have always been able to stand the light of day and our customers are given a square deal.

The Great Annual Sale is taking place only at Rosenhek Bros. three story brick building on Water Street, the building with the big cotton and electric signs and the Red Flag.

EIGHT DAYS MORE OF THE GREAT ANNUAL SALE
