INTERESTING LETTER FROM CAMPBELLTON BOY
Tells How Louis Annett Was Wounded and Taken a Prisoner.

The following letter has been received from a Campbellton boy who was in the same unit with Louis Annett when he was wounded and captured, and throws light on how it was done.

France, Nov. 10th, 1916

Dear Father:
Received your letter with clippings some time ago and was glad to get them.

We have moved to a new part of the line now since my last letter and it sure is a great change too; farther south. It is the quietest part we have been at yet.
Have made enquiries about Louis Annett and as near as I can find out he is a prisoner. Will give you an account as near as possible. The Battalion made an attack and took a certain trench and while they were holding it Louis was wounded just over the heart. One of the other sergeants tried to carry him out but he was too heavy and the Sgt. put him in a kind of sheltered spot alongside a Sgt-Major who was also wounded. So Louis is probably a prisoner. Fritz has been using the wounded very well down there and so he has a good chance.

This trench changed hands a good many times in a short time and he may have been taken out by our own Red Cross men and I hope so. Of course everything is so uncertain down here that it is very hard to get any information at all, but I have been enquiring as much as possible and trying to find out.
This is a very nice place, we are in now and very quiet. There is little or no artillery work but quite a lot of trench mortars. They are pretty but we are away out of their range. There are seven of us in the dugout and we have a room in front of it with a (P.T. O.) fireplace in it which we use for a kitchen and living room.

There has been no cold weather yet, but quite a lot of rain.
The Graphics come pretty regularly and I am very glad to get them.
Saw Fred Graham, young Lebars and Merle Keith a short time ago and they were all O. K.

EDWARDS-FRASER.
A quiet wedding took place at the Methodist Parsonage, Campbellton, on Wednesday afternoon when John Raymond Edwards, a prosperous farmer of Ecuminae, P. Q. was united in marriage with Miss Grace Fraser, daughter of John Fraser of the same place. The best wishes of many friends follow the happy couple.

ACKNOWLEDGED FUNDS.
The following letter has been received from the Chief Superintendent of Education, Fredericton:
Fredericton, N. B., Nov. 24th.

Dear Sir—
Enclosed please find receipt for Campbellton's contribution toward the relief of Belgian children.
Permit me to congratulate the pupils, teachers, and all concerned, upon the success of their efforts in this behalf. I can assure you that this Department greatly appreciates the generous response made by the children of Campbellton to this most deserving cause.

Yours faithfully,

REV. J. E. PURDIE TO LEAVE CAMPBELLTON
Has Accepted Call to Parish in Saskatoon—Had Other Calls.

Campbellton people who have become so well acquainted with the Rector of Christ Church, Rev. J. E. Purdie will regret to learn that he is about to sever his connection with the work here and has accepted a call to Saskatoon.

Rev. Mr. Purdie came here from St. John a little over six years ago when Campbellton was a town of shacks. He and Mrs. Purdie entered heartily into the work and to-day a handsome brick church, with a church hall and a Rectory have been built.
On Sunday morning last the Rev. J. E. Purdie announced to his congregation that since coming to this Parish he had received six calls to go elsewhere. Some few months after he came here he had an offer to go to a city where there was a fine church, with a good Rectory and Parish hall with Rector's office in it and \$400.00 per year more than he was receiving here. A few months later he received another attractive offer to go to British Columbia, moving expenses paid and several hundred dollars more a year. These both were declined believing God had not made way clear for him to go. Less than two years ago he had an opportunity to go to a Parish in Ontario. This was also declined. On the 28th of September last he was unanimously elected to the Rectorship of a progressive town in the Diocese of Saskatchewan. He wired his refusal feeling that this parish did not afford opportunities for the kind of work God wanted him to do. In early October he received a communication from an Archbishop in the same Diocese saying that St. James' church, Saskatoon, was vacant and that his name was being put in the hands of the Wardens and Vestry. Before the parish meeting took place he had an offer which presented a most attractive opening for work in the city of Toronto. While this latter was under consideration a wire came from the Wardens of St. James' church, Saskatoon, saying that he was elected to the Rectorship and also another from the Bishop of Saskatchewan ratifying the appointment. After much prayer and consideration Mr. Purdie wired his decision accepting this offer. These calls came entirely unsought for and from the most unexpected quarters. Saskatoon is a progressive city of 25,000 inhabitants. There are in the city four Anglican Parishes. Within the borders of St. James' stands the University of Saskatchewan and alongside Emmanuel Anglican Theological College. The Bishop is a strong, evangelical man and very keen on evangelistic work. The College and practically the whole Diocese is Evangelical.

Campbellton friends will join with the Graphic in wishing Rev. and Mrs. Purdie every success in their new field of work.

PUBLIC PROPERTY & STREETS.
Your committee to whom are referred all matters relating to Public Property and Streets respectfully submit that they have had under consideration the application of Mr. W. J. Comeau for rent of store on east side of building. We interviewed the ladies of the Women's Institute who are engaged in Red Cross work in this room and find a desire amongst them to hold the room for their use, as well as the Tipperary Club and LaTouquet Club. Under the circumstances we do not feel like depriving the ladies of the use of the room and would therefore recommend that Mr. Comeau be notified that at present we cannot rent the room.

This report was adopted.
Coun. Alexander reported from the committee to interview the McLennan Foundry & Machine Works, stating that they had met with the manager and a rate of five cents was agreed upon.

Coun. Alexander further stated that when the electric power schedule was fixed by the Council it was agreed that all accounts over \$100.00 per month should be allowed a discount of 50 per cent. In some way this latter had been omitted, and he moved as follows:
That the Electric Power rate schedule be amended by adding the following words: "accounts of \$100.00 and over per month a discount of 50 per cent. Carried."

Coun. Harquail reported that there was a serious shortage of coal for the Power house and it seemed almost impossible to get a supply. There was enough on hand to carry over into February. Many dealers had been approached but none could guarantee delivery.

The matter was left in the hands of the Electric Light committee. The Council then adjourned.

MAKING IMPROVEMENTS.
Mr. J. J. Bernier is having the interior of his store renovated. A coat of white enamel is being put on and other improvements made under the direction of Mr. Edward Young.

SUPPER AND SALE
The ladies of the Methodist Church will serve a hot supper and a sale of fancy articles, etc., in the Sunday School Hall of the church on Thursday evening, Dec. 14th.

WOUNDED HEROES RETURN HOME.
Corporal Clarence Duncan and Private Seely Johnson Arrive Wednesday.

Two more Campbellton boys have arrived home wounded from the front. They are Corporal Clarence Duncan and Private Seely Johnson.

Corporal Duncan enlisted with the 26th Battalion and was wounded in the left elbow, making the arm stiff. He has been discharged as unfit for further service.

Private Seely Johnson is home on leave and expects to return to duty. They returned on the Local, Wednesday, and were met by an enthusiastic crowd at the depot, who gave them three rousing cheers as they stepped off the train. As it had been announced that they would arrive on the Limited many people were disappointed in not seeing them.

Friends of both the boys are to-day warmly greeting them.

FORMER DALHOUSIE MAN DIED AT DORCHESTER, MASS.

Many citizens of Restigouche Co. will regret to learn of the death of Mr. H. A. Johnson, formerly postmaster of Dalhousie, and for many years Secretary-Treasurer of the Municipality of Restigouche. His death occurred on Nov. 25th, at Dorchester, Mass. The late Mr. Johnson was a very capable and obliging official and his family will have the sympathy of many friends in their sad bereavement.

KILLED IN ACTION.

Corporal Boyd Nichol.
Corporal Boyd Nichol was the son of Mr. and Mrs. Wm. Nichol, Glen Levis, and was 24 years of age. He was one of the first to enlist at Campbellton and went overseas with the first contingent in the 12th Battalion. He was transferred to the 15th and was at the front with the first Canadian division for over a year. He was killed in action September 26th.

Ottawa, 16th Nov., 1916.
Dear Mrs. Nichol:
It is with feelings of very great regret that I learned today of the death in action on September 26th, 1916, of your son, Corporal Boyd Nichol.

I am writing this letter for the purpose of extending my very sincere sympathy to you in your bereavement. Nothing of course can lessen the effect of the blow and of the sorrow caused to you and his family and intimate friends, but at the same time it is a satisfaction to know that he died serving his country, fighting in defence of those who were left at home and of the free institutions that are so dear to the heart of every Canadian and Britisher.

Again expressing my very deep sympathy, I am,
Yours very truly,
J. D. HAZEN.
