the Stock Markets Decidedly or—Failures of the Week. Tuesday Evening, May 37.

The tone of the stock market this morning was again weaker, and values in most of the bank stocks showed a decrease. Business on the whole was quiet, only 10 transactions being recorded, agregating 455 shares. Trading was confined principally to Ontario and Commerce Bank stocks, while the balance of the fist was almost entrely neglected. Commerce, which was 1 weaker at 12346 asked and 12344 bids was the next active, with sales of 150 shares at the highest figure. Toronto was dull and dropped a point, and the same decrease was manifest in Montreal. Other declines were 16 in Dominion, 14 in Standard, with sales of 20 shares at 143. Imperial and Merchants' were unchanged. The reason for the easier feeling in bank stocks is that the banks in terested in the large timber failure in Quebec are were warmed to the sake in the large timber failure in Quebec are Tuesday Evening, May 27.

Merchants' were unchanged. The reason for the easier feeling in bank stocks is that the banks interested in the large timber failure in Quebec are unfavorably affected, and the drop in Montreal yesterday extended here. In miscellaneous stocks British America dropped ½, and Northwest Land 1; 200 shares of the latter were placed at 80½. Can. Pacific was easier at 83½ asked and 83 bid, and 25 shares sold at 83. Loan stocks were entirely neglected. London & Can. was stronger and moved up ½ to 130 asked, with 1½ increase in the atternoon the market was still inactive; the atternoon the market was still inactive; Montreal was another point weaker and two small lois of 5 shares each were placed at 217 and 210. Merchants' fell ¼ and Commerce ½, 45 shares of the latter selling at 123 and 123½. Standard moved up ½ point to 143½ asked, with 141 bid.
