**THE N. B. HOWDEN EST.**

**FOR THE HANDY GIRL.**  
 Three Piece Fur Sets Which Are Easily Put Together.

One charmingly pretty girl is wearing this season a smart three piece set of furs—hat, neckpiece and muff—of dark blue taffeta and dyed blue fox fur, cunningly put together, yet in reality so simple that any woman can make one like it.

The little toque has an upper crown of fur peeping out of swirling folds of the taffeta, which is brought around to form a standing up bow in front. Any girl can wear a hat like that and look alluring in it.

The neckpiece is a simple flat strip of fur set in a plaited frill of taffeta, with long taffeta streamers which tie in a loose knot.

And the muff! The muff is the chicest you ever saw. It is triangular in

**FUR SET POSED ON VELVET.**  
 shape, very wide at the top and tapering gradually to a point which makes it longer than even the average large muff. The taffeta, which forms the entire back, is brought around over the fur front in a very large flat bow. A big silk tassel finishes the tapering point, and there you are! Truly, we are not only furs, but furbelows, this winter.

Both the muff and the neckpiece of the opossum set seen in the cut are built against a background of black velvet. Two animal skins form the neckpiece, the paws being joined across the front.

**Shiloh**  
 The family remedy for Coughs and Colds. Small dose. Small bottle. Best sold. 1875

The Theford Board of Trade, will endeavor to secure a new postoffice for that town.

Hunting, shooting and fishing will no longer be allowed on the highways of the township of North Dumfries, a motion to that effect having been passed by the township council. During the past hunting season hunters became very careless, and in a number of instances horses, colts and cattle were hit by stray bullets, several farmers sustaining heavy losses by losing valuable animals in this manner. Hunting will be tolerated on private property only upon the consent of the owner or tenant as the case may be.

**This Old Gentleman Cured of Rheumatism**

By One Box of GIN PILLS

YARMOUTH, N.S.

"I have been bothered with Rheumatism for the past year and have taken a good many different kinds of medicine and found no relief for it.

One day a friend advised me to try GIN PILLS, and after taking one box of them, I felt like a new man, I thought I would write you a few lines to let you know how thankful I am for the relief they gave me, and would advise all sufferers from Rheumatism to try GIN PILLS."

WM. CONTY.

Don't bother with liniments and so-called "blood purifiers". They won't help your kidneys—and Rheumatism is caused by weak, strained or irritated kidneys. The only possible way to cure Rheumatism, is to cure the kidneys. GIN PILLS will do this as nothing else will.

Take GIN PILLS NOW and be free from Rheumatism this winter. 50c. a box—6 for \$2.50—and money promptly refunded if you are not satisfied.

Order from us if your dealer does not handle GIN PILLS. Sample box sent free. National Drug and Chemical Co. of Canada, Limited, Toronto.

**MASSENET'S HOBBY.**  
 A Story of the Composer and His Dear Friend, the Bookbinder.

In the recollections of Massenet a story is told, says the Hamburger Nachrichten, illustrating the composer's passionate admiration for beautiful bindings. Not a week passed without a visit from him to his bookbinder when he brought a new book or a new edition to be bound. In the course of time he and his bookbinder became the best of friends, and when Massenet arrived the talk was at first of everything on earth except the real object of his visit.

"Look here!" Massenet would say eventually, giving the man the volume to be bound.

"Splendid!" replied the bookbinder, and then for his customer and friend he would devise some fresh wonder in the art of binding.

One morning Massenet suddenly learned that his friend was giving up business. He hurried to his shop. "Heavens! Is it true you are leaving Paris?" he asked.

"Why, certainly! I have bought a charming little country house near Nantes."

"What a country house! And in the provinces!" And he added sadly, "Ah, my poor friend, I am partly responsible for that!"

**Who Am I?**  
 Last leap year I did not want to embarrass my best girl to make her propose to me, so asked her to be my wife, and she said, "I would rather be excused," and I, like an idiot, excused her. But I got even with the girl. I married her mother. Then my father married the girl. Now I don't know who I am.

When I married the girl's mother the girl became my daughter, and when my father married my daughter he is my son. When my father married my daughter she was my mother. If my father is my son and my daughter is my mother, who in thunder am I? My mother's mother (which is my wife) must be my grandmother, and I being my grandmother's husband, I am my own grandfather.—National Monthly.

Miller's Worm Powders not only make the infantile system untenable for worms, but by their action on the stomach, liver and bowels they correct such troubles as lack of appetite, biliousness and other internal disorders that the Worms create. Children thrive upon them and no matter what condition their worm-infested stomachs may be in, they will show improvement as soon as the treatment begins.

**PUZZLED THE DRIVER.**  
 Now He Believes the Policeman is a Real Mind Reader.

A certain truckman in the habit of using the new Manhattan bridge on his morning trip to Brooklyn has abandoned that route because of superstition.

Several days ago while the truckman was taking a load of chicken crates to Brooklyn a fine cap popped down before him just as his team had passed under the Manhattan tower. He looked around, and seeing that none of the teamsters ahead of him or behind him was bareheaded, he picked up the cap and put it under the cushion of his seat.

Now, it chanced that the cap had been blown from the head of one of the engineers of the bridge department who was high up in the tower at the time. On reaching the tower base he called up the policeman at the Brooklyn approach on the telephone, described the teamster and his wagon and told how he had lost his cap.

As the long file of trucks passed by, the policeman the latter halted the thieving driver, saying: "Til trouble you to hand over that cap you picked up on the Manhattan side. It's a black and white check, and you've got it right there under your seat."

Amazed and frightened at the cop's demand, the driver pulled out his hidden find and tossed it to him. "Here you are," he said. "You're a mind reader or one of them guys what can see around corners."—New York Tribune.

Could Hardly Live for Asthma. Writes one man who after years of suffering has found complete relief through Dr. J. D. Kellogg's Asthma Remedy. Now he knows how needless has been his suffering. This matchless remedy gives sure help to all afflicted with asthma. Inhaled as smoke or vapor it brings the help so long needed. Every dealer has it or can get it for you from his wholesaler.

Mr. Robert Mackey and family, had a narrow escape from death by inhaling the fumes from coal gas during Friday night. When Mr. Mackey awoke in the morning, he got up, and immediately sank to the floor. With difficulty he made his way to the door and opened it, and then aroused the other members of the family.

There were 62 births in Petrolia in 1913, and 48 deaths.

As a vermicide there is no preparation that equals Mother Graves' Worm Exterminator. It has saved the lives of countless children.
