BROOKE

Service will be held in St. James' church on Sunday afternoon at 2.30.

Ward, son of Mr. and Mrs. John Zavitz, 10th line, is ill with typhoid fever. There will be afternoon and evening services in Christ church, Sutorville, on Sunday.

Reeve Annett was appointed on the following standing committees of the County Council:—Roads and Bridges, Equalization, Legislation, Deputy Reeve Bourne is on the Finance and Education committees.

His Lordship Bishop Williams will hold a confirmation service in St. James' church, Brookie, on Saturday afternoon at three o'clock. A large number will be presented by the rector for the Apostolic rite.

The annual pancake social given by the ladies of Christ church, Sutorville, was a decided success and was largely attended, considering that the evening was one of the coldest this winter. Mr. and Mrs. Eli Taylor made one and all feel at home. There were pancakes in abundance, also a dainty lunch. The playing of the Watford orchestra was very much appreciated. The offering amounted to over \$30.

The February meeting of the Brookie W. I. will be held on the second Thursday, Feb. 11th, at half past two o'clock, at the home of Mrs. Richard Searson. Subject is "The Influence," by Miss M. Willoughby, and "Bee Culture and Financial Profits From Products," by Mrs. S. Hair. There will also be a question drawer. Roll call—Different uses of honey. Visitors always welcome. The contest for getting new members will be closed at this meeting.

The patriotic concert under the auspices of the Brookie Women's Institute was held last Friday night in the Fisher school house. In spite of the weather, a very large attendance marked the occasion and the proceeds amounted to over forty dollars, to be used for patriotic purposes. The committee in charge had the school beautifully decorated with flags, etc., while at the front of the building Canada's emblem, the maple leaves, and streamers of red, white and blue, twined in and around the Institute motto, "For Home and Country," and all combined made a very pretty background for the stage. Mr. Farrell, of Forest, was present and in his usual capable manner acted as chairman. After greeting an welcoming the audience he gave a short address, which was well received. A varied and interesting program followed. Splendid vocal selections were rendered by Mrs. Peter McGregor, Mrs. W. Shugg and Miss A. McGugan, also Messrs. Will Rundle and Cameron Coristine, and two numbers by a quartette consisting of Mrs. P. D. McGregor, Mrs. Roy McGregor, and Messrs. P. D. McGregor and Ray Smith. Two splendid dialogues, which were well acted by some of the young people, created considerable mirth. Miss Kathleen Kingston gave a very pleasing instrumental solo, and readings were given by Miss Katie McLachlan and Miss A. McGugan. The closing number was a pantomime, "The Vacant Chair," given by the young ladies of the 12th line. This was a very good and very appropriate musical number furnished by Messrs. Harper and Dempsey. The ladies of the Institute tendered a hearty vote of thanks to the worthy chairman and all who so kindly and ably assisted with the program. Auld Lang Syne and the National Anthem were then sung and the gathering dispersed.

KERWOOD.

Miss Lillie McLean, 4th line, spent the week end with Miss Hazel Eastbrook.

The regular meeting of the Cheer-U Euchre Club was held on Tuesday evening at the home of Mr. and Mrs. Wm. Watson. Mr. Reginald Thorn and Miss Kate Edgar were awarded the prizes. The meeting closed in the usual way.

An event long to be remembered happened on Monday evening, the occasion being a surprise party at the residence of Mr. and Mrs. Geo. Freer. About twenty couples drove over and spent the evening in a social dance and entree, the event of the evening being a Scotch reel, two old veterans of the sixth line winning the laurels for the best dance. Music was furnished by Messrs. Freer and Wyatt. The amusement lasted till twelve, when the ladies served a dainty lunch and then resumed dancing till nearly four o'clock, and when leaving all expressed their praise for the kind manner in which they were received, as Mr. and Mrs. Freer cannot be excelled as entertainers.

R. I. Smith, of Delaware, says that the frost crop is not hurt so far this winter in that district. He says that the peach crops have stood the frost well.

P. DODDS & SON

Dynamited C. P. R. Bridge

Vanceboro, Me., Feb. 2.—Another international problem incident to the war was thrust upon the United States today by the action of Werner Van Horn, who, operating on the Canadian side of the border, dynamited the railway bridge over the St. Croix River, and then escaped into this state. A few hours later in a room at a hotel, here, Van Horn quietly submitted to arrest, but immediately proclaimed himself an officer of the German army and set up the claim that he had committed an act of war, and, having fled to a neutral country, could not be legally surrendered to an enemy of the fatherland.

When Van Horne was searched the police claim to have found upon him a drawing of the bridge. He has steadfastly refused to make any explanation on this point and denied that he knew the identity of the man who supplied the dynamite. The police are searching for this man, but had found no trace of him to-night.
