

"HASN'T AN EQUAL" SAYS MRS. LEWIS

St. John Woman Tells Of Good Tanlac Did Her For The Benefit Of Others.

"For the sake of others who may be suffering from the after effects of influenza, I am glad to tell of my experience with Tanlac," said Mrs. Lewis Gilliland, of 96 Sea Street, St. John, N. B.

"Ever since I had the influenza year before last, I had been in a badly run-down condition. I had no appetite, never dared eat rich foods of any kind and no matter what I ate I suffered terribly from indigestion. I also suffered from constipation, had blinding headaches and almost unbearable pains in my back.

"The noises of the children playing almost drove me wild, and my nervousness kept me awake so much every night that I felt as tired in the morning as if I hadn't gone to bed at all. To add to my misery I was badly crippled up with rheumatism which caused me intense suffering.

"Well, I have only taken two bottles of Tanlac so far, but I haven't had a headache since I began taking it and I believe my rheumatism is gone completely, for I never feel a touch of it. My appetite is just splendid and I can eat anything I want and never suffer any afterwards. My constipation and nervousness has left me, and I just feel fine all the time. For those who suffer as I did, I don't believe there is anything in the world equal to Tanlac.

The Karsdale Union Bible Class met at the home of the President, E. H. Porter, on Thursday evening April 8th. The attendance was very large, Rev. Mr. Heister read an excellent paper on the lesson and a most interesting discussion followed. At the close, at the request of Miss Winifred Shafter, Rev. Mr. Heister, in behalf of the Class, presented the President with a splendid fountain pen, bottle of ink and package of high grade stationery. Mr. Porter responding said that it ever a genuine surprise existed it did now so far as he was concerned. He had done the best he could for the Class and only regretted he could not do more. This kind act of appreciation undeserved on his part, so completely affected him as to make it impossible to express the deep feelings of his heart. From the bottom of his heart he thanked all concerned for their valuable and useful gift. Then followed refreshments and with appropriate music the session closed. The fourth anniversary of the Class was held in the Karsdale Baptist Church on Wednesday evening, the 13th inst.
